1. LONG SHOT - HERO HIGH

An impressive building w/American flag waving proudly atop its dome.
A dramatic voice announces:

NARRATOR
(v.o.)

This is Hero High...

Camera TRUCKS IN to school entrance.

NARRATOR
(v.o.)

An out-of-sight institute of learning for young heroes and heroines... who, in a moment, are going to be late!

Camera STOPS on entrance. Pause.

NARRATOR
(v.o.)

Ahem! Who, in a moment, are going to be late!

2. SIDE ANGLE - ENTRANCE & STEPS

Suddenly, all at once, all the students come racing to the entrance and thru the door. Much SFX: running feet, whooshing rockets.

Almost last comes CAPTAIN CAL on his surfboard: in mid-frame he stops, causing GLORIOUS GAL to pile up from behind, landing piggyback-style on his shoulders. SFX: WHOMP!

3. CLOSEUP - GLORIOUS

GLORIOUS

Jeepers, Captain Cal! Whadja stop for?

(CONT'D.)

4. SIDE ANGLE - ENTRANCE

Cal swings his surfboard around, an action which flings Glory off his back:

CAPTAIN CAL

Sorry, Glorious! Something more important than mere punctuality...

He whooshes back out of frame (SFX) the way he came; PETER PENGUIN ducks out of the way as he comes up behind.

5. ANGLE - SCHOOL LAWN

Cal on surfboard comes racing into frame, stops. He leans down and picks up a bit of trash.

CAPTAIN CAL

A piece of litter cluttering up our fair school!

The school bell rings w/SFX: RING! Cal reacts.

CAPTAIN CAL

Uh, oh!

He swings the board around and exits w/SFX: WHOOSH!

WIPE TO:

6. INT. - PRINCIPAL'S OFFICE

The principal stands shaking Cal's hand. Cal blushes modestly.

SAMPSON

Yes, my boy...when I saw you scoop up that lone piece of paper...

Sampson gestures to a telescope, over by the window.

SAMPSON

I knew you were the one to head up our campaign for "National Clean Schools Week" here at Hero High!

7. CLOSEUP - CAL

CAPTAIN CAL

Thanks, sir! And I appreciate your letting me choose my own clean-up team, who should be here...

TRIXIE

Cool down, Rex! Why not do the obvious thing...and get together your very own team?

14. CLOSEUP:- REX

His face, though dripping with water, lights up.

REX

That's it! Another of my brilliant ideas!

FLIP TO:

15 EXT. - SCHOOLYARD

Rex addresses his own team: Trixie, BRATMAN, and GIGGLER THE HYENA.

REX

All right, team! You are now part of the clean-up campaign! Your mission is to attend to the litter problem here at Hero High...

16. CLOSEUP - REX

His eyes gleam fanatically:

REX

...and make it worse!

17. ANGLE - REX, TRIXIE, BRATMAN, GIGGLER

Rex's team cheers:

ALL

Hooray!

Like a series of shots they all take off out of frame.

18.- 21. OUT

WIPE TO:

Suddenly there's a deafening crash (SFX with CAMERA SHAKE): Cal turns and reacts.

8. INT. - OFFICE

Cal and Principal look toward the door, where Misty, Glorious, Awel etc. are jammed in the doorway, having all tried to enter at once.

CAPTAIN CAL

...on the double!

FLIP TO:

9. OUT *

10. ANGLE - SCHOOLYARD - PANNING

Captain Cal goes racing along on his surfboard: he has a long stick, and a sack over his shoulder. He snatches up stray pieces of paper with the stick as he goes.

CAPTAIN CAL

We should be just super at this sort of work!

11. ANGLE - MISTY

Misty waves her wand over a little pile of litter: w/TINKLING SFX it disappears. She turns away, and it starts to reappear again: but she looks back, frowns, and it disappears.

12. ANGLE - REX & TRIxie IN WINDOW

From a window in one of the school buildings, REX RUTHLESS and TRIxie are looking down, watching this.

REX

Will you look at that?

13. INT. - SCHOOLROOM W/REX & TRIxie

Rex hurls himself about, shaking his fists and kicking angrily:

REX

They get all the glory for cleaning up around here! And me? I never get called to the principal's office! Never...!

MISTY

Awol! Now, I know this isn't thrilling work, but you can't just drop it and be gone!

Awol's voice is heard:

AWOL

The Inspector approaches...but he stops, pulls forth a white glove, and puts it on his hand. Only then does he shake hands with Sampson. Sampson looks to camera, rolls his eyes heavenward.

FLIP TO:

35. ANGLE - TRIXIE AT WORK

Trixie is just about finished with her contraption: it looks like a large horizontal-style vacuum cleaner.

Trixie takes a walkie-talkie from her belt.

TRIXIE
(into w.-t.)

Rex! Come in, Rex...

Behind her, Awol's glasses wander into scene. They react as they see what she's up to.

36. CLOSEUP - TRIXIE

TRIXIE

I'm almost done with the "sweeper"...

He speaks into his own walkie-talkie:

REX

the litter for sure!

MISTY

What!

She gestures with her wand:

MISTY

Trixie isn't fair and square! Trouble
brews...take me there! ...Abrakazoo!

*

She vanishes in a puff of smoke (SFX: POOF!)

41. ANGLE - TRIXIE

Trixie's finished with her contraption: it vibrates alarmingly. She
gives it a swift kick:

TRIXIE

C'mon, ya bucket of bolts! Get going!

Suddenly Misty appears beside her (SFX: TINKLING):

MISTY

Just like Awol said...up to no good!

TRIXIE

Well, you're too late! Tardiness
doesn't pay...!

Trixie hops onto the sweeper, straddling it like a horse. She kicks
it with her heels:

TRIXIE

Doggone it! Move, I said! Time's a-wastin'!

Suddenly the thing takes off, like a shot, out of frame (SFX: SWOOSH!)
Nobody is more startled than Trixie:

(v.o.)

Whooooops!

It roars through frame, past Sampson, Grimm and the Inspector. Amazingly, the thing sucks up paper, trash and even dust as it goes!

INSPECTOR

What was that?

SAMPSON

Er...those jumbo jets! They fly lower all the time...

43. ANGLE - CAPTAIN CAL, GLORIOUS, WEATHER BOY

The sweeper streaks past.

WEATHER BOY

Look at 'er go! It's sweeping up everything in sight!

CAPTAIN CAL

I knew I could count on Trixie!...

He suddenly looks befuddled:

CAPTAIN CAL

TRIXIE?

44. ANGLE - REX

Rex sees this thing coming: he reacts, then hits the dirt as it races thru just over his head.

45. ANGLE - SWEEPER - FAST PANNING

TRIXIE

Whoa! Whoa, I say! How do you reverse this ornery thing...?

She pulls on a lever, and suddenly the thing up-ends completely, flipping over as PAN REVERSES and it travels back in the opposite direction...with Trixie upside-down.

TRIXIE

Heeelp...!

(CONT'D.)

46. ANGLE - REX

Rex is just beginning to get up...when he sees it coming again, and hits the ground. The sweeper races on through and we a terrific SFX: CRASH! offscene as Rex looks up.

52. ANGLE - WALL W/ SWEEPER, TRIXIE

The sweeper has smashed into the wall of a building: it sticks there, arrow-like (like Cal's surfboard earlier). Trixie sprawls on the ground below it. Rex, looking grim, steps into frame.

REX

Well, smarty tights! You did it again!
I should have known, anything you touch
backfires!

53. ANGLE -

She looks up, dazed:

TRIXIE

I got it! Next time, I'll do the oppo-
site thing, so it backfires right...
right? Or something like that...

Trixie flops back down again. The machine gives a little cough (SFX), and ejects an apple core which bounces off Rex's head. Rex reacts, glancing about angrily, and rubs his head as we...
