LONG SHOT - PLANET ETHERIA FROM SPACE - SLOW TRUCK IN

We HEAR an OS voice:

SWEET BEE (VO)

Roger, Drone Seven -- I'm
approaching the planet now.2
MATCH SHOTWith a CLICK, the planet becomes a computer-graphic
visualization.

SWEET BEE (con't VO)

Scanners on.

WIDEN to REVEAL that we are looking at a viewscreen set into

CUT TO:

4
ESTABLISHING SHOT - THE FRIGHT ZONE

TRUCK IN over dialogue.

HORDAK (VO)

A spacecraft, eh?

DISS THRU TO:

5
INT - THE FRIGHT ZONE - AGGRESSOR TURRET

It is a large room, with ports open to the sky. Gigantic cannons point outward from these ports to the clouds. Hordak, arms folded, is standing in the foreground, looking up at a mounted viewscreen on which a light is blinking. A Trooper is standing beside him.

HORDAK (con't)

Is it one of ours?

6
ON THE TROOPER

Shakes its head.

TROOPER

No, mighty Hordak. It appears to be an alien scout craft.

7
ON HORDAK

Still studying the viewscreen. He does not deign to look at the Trooper.

HORDAK

Is it dangerous?

8
TWO SHOT

The Trooper indicates a negative.

TROOPER

Scanners show it to be completely unarmed. It seems to be on a peaceful mission.

Hordak snorts.

HORDAK

Well, in that case, Trooper, when it gets close enough...

He turns away dismissively.

HORDAK (con't)

...shoot it down.

He strides OS. TRUCK IN on the Trooper as it salutes.

TROOPER

Yes, master.

The Trooper turns and looks OS.

TROOPER (con't)

(shout)

Charge the freeze cannon!

9 ON THE FREEZE CANNON

It begins to EXTEND through the roof port, GLOWING and HUMMING.

CROSS DISS TO:

10 LONG SHOT - FRIGHT ZONE

START TIGHT on the gun turret, where we SEE the faint glow of the charging freeze cannon. We HEAR Adam's voice OS.

ADAM (VO)

Looks like the Horde's up to something.

PULL BACK to REVEAL that Adam and Adora are seated in a camouflaged sort of duck blind overlooking the Fright Zone. Spirit is tethered in some concealing bushes nearby.

ADORA

That Horde's always up to something, my brother. That's why we have these watch stations.

11 CLOSER ON ADORA

As she gazes cautiously toward the Fright Zone.

ADORA (con't)

Well, whatever the Horde is planning, I hope it won't spoil your visit.

12 ON ADAM

He grins.

ADAM

Me, too, Adora. I get little enough chance to see you as it is.

He frowns, and glances back toward the Fright Zone.

ADAM (con't)

Still, that looks like a freeze cannon.

EE #07000

13
POV - ON THE FRIGHT ZONE GUN TURRET

TRUCK IN on the glowing end of the freeze cannon. It is pointed upward.

ADAM (con't)
What are they aiming at?

14
ON ADORA

Squinting into the distance.

ADORA
Something in the sky, I think.

She turns her head and looks up.

15
POV - ON SKY

A tiny point of light is visible in the sky. TRUCK IN.

ADORA (con't VO)
But what could it be?

CUT TO:

16
LOW ORBIT - ETHERIA - ON SWEET BEE'S SHIP - TRACKING

It is flying just outside the Etherian atmosphere. (Held cel ship, flame EFX cycle, stationary starfield b.g., planet horizon UL in lower frame pulled through VERY slowly).

SWEET BEE (VO)
Drone Seven, Drone Seven. I am scanning the planet now.

17
INT SHIP - ON VIEWSCREEN - AS BEFORE

Sweet Bee's hand touches a button again. Symbols read out on the screen. (NOTE: WE HAVE NOT SEEN SWEET BEE YET.)

SWEET BEE (con't VO)
Readings indicate excellent colonization potential -- WAIT!

A red symbol has begun FLASHING on her viewscreen.

SWEET BEE (VO con't)
High energy surface reading! Could be a weapon.

18
ON THE FREEZE CANNON

(A very fast scene -- eight frames or less.) It fires!

19

ON SWEET BEE'S SHIP

It is hit! It SPINS OUT OF FRAME, dropping.

SWEET BEE (VO)

(scream!)

I've been hit!

20

ON ADORA AND ADAM

They leap to their feet, looking upward.

ADAM

A space ship!

21

POV - THE SKY

The spot of light, trailing smoke, is moving across the sky.

ADAM (con't VO)

The Horde's shot down a space ship!

22

ON ADORA

Looking upward, eyes narrow with anger.

ADORA

And if I know the Horde, it was a harmless ship, too.

23

ON ADAM

Drawing his sword.

ADAM

Sounds like my vacation's over.

24

ON ADORA

Drawing her own sword.

ADORA

'Fraid so, my brother! For the Honor of Greyskull!

25

ADAM

BARROOM! They become Shera and He-Man, respectively.

HE-MAN

I have the Power!

24 ON SHERA

SHERA

I am Shera!

ZING! Spirit becomes Swift Wind!

27 NEW ANGLE

Shera mounts Swift Wind, and He-Man climbs on behind her.

HE-MAN

Looked like that ship was going
to crash in the Polar Sea.

SHERA

Yes, and the Horde is sure to go
after it. We're going to need
some extra help...

28 WIDE

Swift Wind LEAPS into the air.

SHERA (con't)

MERMISTA (VO)

The Polar Sea?

DISS THRU TO:

30 THE CRYSTAL FALLS - SHORE

Shera and He-Man are looking into the water, where the head
and shoulders of the swimming Mermista are visible. In the
b.g., Enchantia is floating by the dock (see models). She is
a giant flying swan. *

MERMISTA (con't)

That's a long way, Shera.

She launches herself gracefully from the water, TRANSFORMING
her tail into legs in midair, and landing beside Shera on
the dock.

MERMISTA (con't)

I'd better go with you.

REVISED
DATE 7/24/85

31 ON SHERA

Smiling.

SHERA

I was hoping you'd say that,
Mermista. Your water powers
will be useful in that icy ocean.

Suddenly, Shera REACTS TO:

FROSTA (OS)

Did you say icy?

32 WIDER

Frosta steps up to them. She looks coyly at He-Man.

FROSTA (con't)

Sounds like my kind of place.
I'd better go, too.

33 ON SHERA, HE-MAN, AND FROSTA

Shera smiles at Frosta, but Frosta is still looking at He-Man.

SHERA

Frosta! I didn't know you'd be here!

34 CLOSER

Shera steps up to the ice-lady.

SHERA (con't)

But I'm glad you are. We can
sure use you.

Frosta smiles dreamily up at He-Man, who is beginning to look uncomfortable.

FROSTA

I was just visiting Mermista. But
the Crystal Falls are too warm for
my tastes. I'll take the Polar
Sea any day.

35 CLOSER ON FROSTA

Still gazing dreamily at He-Man.

FROSTA (con't)

Especially with such handsome
company.

36 ON HE-MAN

Looking uncomfortable at the attention.

HE-MAN

Uh...we'd better get going.
The Horde is probably way
ahead of us already.

37 ON MERMISTA

She indicates Enchanta. *

MERMISTA

Right you are, He-Man. We'll
ride Enchanta. She'll get
us there in no time! *

TRUCK IN on Enchanta and then:

WIPE TO:

38 THE ETHERIAN SKY - DAY

Enchanta FLIES UP PAST CAMERA, carrying Mermista, Shera,
Frosta, and He-Man. Frosta is sitting VERY close to He-Man. *

SHERA

The Polar Sea is just ahead!

39 ON ENCHANTA - DOWNSHOT - TRACKING *

Three Horde ships are at anchor in the water, in which there
are many floating icebergs. They have cranes extending into
the water. (STORYBOARD NOTE: CCW CAMERA TILT DOWNSHOT on
Enchanta held cel. B.g. is of ocean and icebergs with three
Horde ships pulled very slowly. Wispy airbrush cloud
UL's repeat pan through faster. Since He-Man is looking
down at the ships, we DO NOT SEE his mouth move). *

HE-MAN (VO)

And there's the Horde.

40 UPSHOT ON HE-MAN AND SHERA

Looking down.

SHERA

That must be where the space
ship went down! I hope whoever
was in it is all right!

*

42

WIDE

Enchanta starts to descend.

*

CUT TO:

43

HORDAK - ON THE DECK OF ONE OF THE SHIPS.

operating some controls on a viewscreen device.

TROOPER #1

The space ship is directly below
us, mighty Hordak.

44

UPSHOT ANGLE ON A CLAW DEVICE

Extending out over the water on a crane. As we WATCH, it
DROPS OS into the water with a SPLASH.

TROOPER #1 (con't VO)

I am activating the grapples now.

45

ON HORDAK AGAIN

Smiling nastily.

HORDAK

Excellent. Soon, I --

He REACTS as he is interrupted by an OS SHOUT.

TROOPER #2 (OS)

Hordak!

46

48

ON THE TROOPER

It salutes swiftly and grabs the controls of the freeze ray.
It begins to FIRE up and OS.

49

ON ENCHANTA

As she descends. Rays begin to SHOOT PAST her.

*
*

SHERA

Uh, oh!

50

CLOSER ON SHERA

As more rays zip past.

SHERA (con't)

Looks like Hordak doesn't want
us at his party! Evasive action,
Enchanta!

*
*

51

WIDE - ON ENCHANTA

As she flies, rays ZIPPING PAST, she twists and turns to
evade them.

*

52

ON HORDAK AND GUNNER TROOPER #2

The Trooper is firing upward as Hordak glares.

HORDAK

(snarls)

Blast, you robots are rotten shots!

ZING! His arm forms into a cannon.

HORDAK (con't)

I'll handle this!

CHOW! He fires UP and OS.

53

ON ENCHANTA - DIVING

She is HIT by Hordak's stunbeam and JARS.

*

ENCHANTA

(swanlike)

Oh!

REVISED

Enchanta's been stunned!

As she struggles with the reins.

*

MERMISTA (con't)

We're going down!

*

55

WIDE - ON THE SURFACE OF THE SEA

The Horde ships are in the b.g. Enchanta SPLASHES down hard in the water and droops, stunned.

*

56

ON GROUP

Shera REACTS.

*

SHERA

Poor Enchanta! She'll be out for hours! Now what?

*

Frosta narrows her eyes.

FROSTA

Looks like a job for me, Shera.

She ANTICS and FIRES an ice beam DOWN and OS.

57

ON THE WATER - BESIDE ENCHANTA

The ice beam STRIKES and forms an ice floe, which grows.

*

58

WIDE - ON ENCHANTA AND ICE FLOE

Frosta JUMPS to the ice floe.

FROSTA

There! It's cold, but at least it's not wet!

PAN OVER to Horde Ship in b.g. and TRUCK IN as WE HEAR:

TROOPER #2 (VO)

Nice shot, mighty one!

59

ON HORDAK AND TROOPER #2

Looking out at the rebels.

*

TROOPER #2 (con't)

The rebels are helpless now!

REVISED
DATE 9/24/85

HORDAK

Don't be too sure, Trooper.
Take a detachment of robots
and capture them.

60 CLOSER ON HORDAK

HORDAK (con't)

I don't want them interfering
when we raise the spacecraft.

61 NEW ANGLE

As the Trooper salutes, Hordak turns away.

HORDAK (con't)

After all -- I shot it down.
It's mine!

62 ON TROOPER #1

At the viewscreen controls. We SEE an underwater view of
Sweet Bee's ship on the viewscreen. Hordak STEPS IN.

HORDAK

Have you attached those grapples
to the space ship yet, Trooper?

63 UPSHOT ON THE TROOPER

Bending over the controls. It looks back, nervously.

TROOPER #1

Uh...almost, mighty Hordak!

64 ON HORDAK

He snarls.

HORDAK

(snarling)
Well -- HURRY!

65 ON THE TROOPER AGAIN

HE-MAN

Here come some Horde Troopers!

68
ON GROUP - FAVOR SHERA

SHERA

You and Frosta had better take them, my brother. Mermista and I will go after the space ship!

69
ON FROSTA AND HE-MAN

Frosta looks delighted, and He-Man gulps.

FROSTA

That sounds like a wonderful plan!

HE-MAN

Uh...Shera...

70
ON SHERA

Holding her sword, she smirks slyly.

SHERA

No time, He-Man! Sword to helmet!

ZING! He sword becomes a diving helmet. She puts it on.

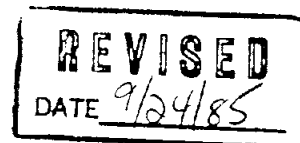

SHERA (con't)

Come on, Mermista!

She LEAPS OS.

72 ANGLE ON HE-MAN AND FROSTA

Looking at them from behind. The Glondas are ZOOMING at them. He-Man has his sword out and is in a defensive crouch. Frosta appears completely unconcerned, her hands behind her back, giving him coy glances.

HE-MAN

(grim)

Don't worry, Frosta...

73 FRONT ANGLE

Looking at the two -- He-Man grim and heroic, sword at the ready, and Frosta gazing at him dreamily.

HE-MAN (con't)

I'll handle these robots!

FROSTA

(dreamily)

Oh, I'm not worried, He-Man.
Not with you here.

He-Man gives her a nervous, sidelong glance as we:

They DUCK as the Glondas ROAR BY overhead.

FROSTA

You don't have to, He-Man.

77 ON THE GLONDAS

Banking for another pass.

FROSTA (con't VO)

Just make a wave.

78
ON HE-MAN AND FROSTA

He-Man looks surprised.

HE-MAN

A wave?

FROSTA

A wave.

He-Man shrugs.

HE-MAN

Whatever you say.

He STEPS FORWARD.

79
ON THE GLONDAS

Coming the other way, firing!

Aiming with her hands.

FROSTA

Now for a little chill...

She FIRES an ice beam OS!

82

FROSTA (VO)

Ooof!

87 ON HE-MAN AND FROSTA

Lying in the snow. Frosta looks startled. He-Man looks down at her in concern.

HE-MAN

Are you all right?

Frosta recovers, smiling slowly as she realizes where she is. She starts to bring her arms up around He-Man's neck.

FROSTA

(purring)

Mmmm...couldn't be better...

Suddenly, both REACT as another ray STRIKES the snow beside them!

HE-MAN

(nervously)

I wonder how Shera's doing!

ZIP TO:

SHERA

There's the space ship!

91

ON MERMISTA - TRACKING

As she swims.

MERMISTA

And that's not all, Shera...

92

ON THE SHIP

As the Clawdad begins to swim toward the two women, its claws extended.

MERMISTA (con't VO)

We also have a Horde welcoming committee!

93

ON SHERA AND MERMISTA

As they come to a halt in the water.

SHERA

Let's split up. I'll handle that robot Clawdad...

Shera starts swimming back in the direction she came from.

SHERA (con't)

MERMISTA

Right!

With a FLIP of her tail, she drives downward.

They're after the space ship!

96 CLOSE ON HORDAK

Glaring.

HORDAK

Well, stop them, Trooper! If I lose that ship -- or its pilot -- I'll hold you personally responsible!

97 ON THE TROOPER

Gulps nervously.

TROOPER #1

Y-y-yes, M-Master. The Clawdad will get them!

It turns back to the controls and we:

Shera strains.

SHERA (con't)

Quite a grip -- but...

CRASH! She breaks free, shattering the claw.

SHERA (con't)

...not good enough!

WHAM! She PUNCHES the Clawdad robot's nose, crumpling it to scrap metal.

101 CLOSER ON SHERA

As bits of metal float past her.

SHERA

Whew! I only hope that Mermista had enough time!

CUT TO:

102 THE SPACESHIP - ON MERMISTA

The cables are pulling the spaceship upward. Mermista is tugging on the cockpit.

MERMISTA

Suddenly, with a last TUG, the cockpit SWINGS OPEN in a shower of bubbles!

MERMISTA

Got it!

104 NEW ANGLE - TRACKING

She PULLS OUT the pilot, who is wearing a space helmet.

MERMISTA

Good! The pilot's still alive!

Got to get her out of here!

She SWIMS OS, towing Sweet Bee.

CUT TO:

105 ANGLE ON HE-MAN

As he SWINGS his sword. A Glonda SMASHES to bits and flies OS.

HE-MAN

(panting)

There! That's the last of them!

WIDEN as Frosta sidles up against him.

FROSTA

You were wonderful, He-Man!

She begins to slide her arms around his neck again. He draws back, but not enough. Frosta brings her face closer, purring.

FROSTA (con't)

...just wonderful...

Suddenly, both REACT to:

SHERA (OS)

Hey!

106
ON SHERA AND MERMISTA

At the edge of the ice floe, supporting the helmeted Sweet Bee between them.

SHERA (con't)

If you could leave Frosta alone for a minute, He-Man, we could use a hand!

107
ON HE-MAN AND FROSTA

He-Man is stung by the injustice of the accusation.

HE-MAN

Leave her alone?! Why...I...

Words fails him. He SHRUGS helplessly at CAMERA, and we

CUT TO:

HORDAK (con't)

...but we lost the pilot

HORDAK (con't)

I had succeeded -- that I'd found
a new home for my people.

RIPPLE DISS TO:

129
THE REBEL BASE - ON THE GROUP

Sweet Bee bows her head dejectedly.

SWEET BEE (con't)
I guess I was wrong.

130
CLOSER

He-Man tries to cheer Sweet Bee up.

HE-MAN
Don't say that, Sweet Bee! Your
people can settle here.

He looks up at his sister for support.

HE-MAN
Right, Shera?

Then REACTS to:

SHERA (VO)
Wrong, He-Man.

131
ON SHERA

Looking down a little sternly.

SHERA (con't)
This is not Eternia, my brother.
This is Etheria, ruled by the
Evil Horde.

132
CLOSER ON SHERA

Stern.

SHERA (con't)
If Sweet Bee's people come here,
Hordak will surely enslave them.

133
ON SWEET BEE

She stands.

SWEET BEE
Then I must warn my people away
from here! Where is my spaceship?

134
ON MERMISTA AND SHERA

They look at each other, worriedly. Then Mermista looks
back to Sweet Bee.

MERMISTA
I'm afraid...it was captured by
the Horde.

135
ON SWEET BEE

TRUCK IN as she looks horrified.

SWEET BEE
Oh, no! And my people -- the
whole Hive -- are already headed
this way!

ZIP TO:

136
 ESTABLISHING SHOT - THE FRIGHT ZONE
 TRUCK IN as we HEAR Hordak speaking.

HORDAK (VO)
 Well, Shadow Weaver?

DISS THRU TO:

137
 INT - FRIGHT ZONE - HANGAR

Sweet Bee's spaceship is there in drydock. Shadow Weaver is in the cockpit, fiddling with the controls, as Hordak watches.

HORDAK (con't)
 Have you figured out the controls
 of this spaceship yet?

138
 CLOSER ON SHADOW WEAVER

As she works.

SHADOW WEAVER
 Almost, mighty Hordak -- there!

She pushes a button, and a viewscreen BUZZES to life. It is full of static.

DRONE SEVEN (VO)
 (static)
 Scout Three! Scout Three! Are
 you receiving? Scout Three, this
 is Drone Seven -- Come in, Sweet Bee!

Throughout the static, we get glimpses of Drone Seven -- a male bee-person of Sweet Bee's clan.

139
 ANGLE ON HORDAK AND SHADOW WEAVER

They exchange glances.

HORDAK
 Hmm. Answer it, Weaver.

140
 ANGLE ON WEAVER.

We SEE a small Pilot ID card clipped to the control panel with Sweet Bee's picture on it.

WEAVER
 Right, Hordak.

She glances at the ID.

141

CLOSE ON THE I.D. - TRUCK IN

WEAVER (con't VO)

Hmmm...

142

CLOSE ON WEAVER

As her face TRANSFORMS to resemble Sweet Bee's.

WEAVER (con't)

(going from Weaver to Sweet Bee)

First, a little disguise...

143

NEW ANGLE

Weaver (as Sweet Bee) picks up a microphone.

SWEET BEE (con't)

...and then -- Drone Seven! Drone Seven! This is Sweet Bee!

144

ON THE VIEWSCREEN

It CLEARS, revealing a relieved Drone Seven.

DRONE SEVEN

Sweet Bee! Thank goodness you're all right -- the whole Hive has been worried about you. What happened?

145

ON WEAVER/SWEET BEE

Holding the mic.

SWEET BEE

Uhh...Just a little equipment trouble, Drone Seven -- um...did you say the whole hive?

146

ON DRONE SEVEN

Happily.

DRONE SEVEN

That's right -- all ten thousand of us! We're coming your way -- so what's your report? Can we settle on that planet?

147

ON WEAVER/SWEET BEE AND HORDAK

Weaver/Sweet Bee places a hand over the mic and leans toward Hordak.

WEAVER
(in Weaver's voice)
Now what, Hordak?

HORDAK
(greedy, impatient)
Ten thousand? Ten thousand
new slaves to do my bidding?
Tell them to come ahead, Weaver!

Weaver/Sweet Bee nods and turns back to the mic.

SWEET BEE
(in Sweet Bee's voice)
Affirmative, Drone Seven. The
planet is peaceful, with friendly
people. Come ahead!

148
ON DRONE SEVEN

Delighted.

DRONE SEVEN
That is excellent, Sweet Bee. We're
on our way! Drone Seven out.

The screen goes blank.

149
ON WEAVER/SWEET BEE AND HORDAK

As Weaver's features transform back into her usual
featurelessness.

SHADOW WEAVER
Your new slaves will be here soon,
Hordak.

150
ON HORDAK

Gloating.

HORDAK
Excellent, Shadow Weaver! And
with ten thousand bee-slaves added
to my army...

151
ON HORDAK

Triumphant. His arm TRANSFORMS into a cannon.

HORDAK (con't)
...I'll be able to destroy the
Rebellion forever!
(evil laughter)

He DESTROYS the viewscreen. TRUCK OUT as he LAUGHS, then:

CUT TO:

152 EXT - FRIGHT ZONE - TIGHT ON HANGER DOORWAY

It is a large steel hatch, high off the ground. We HEAR Shera speaking.

'SHERA (VO)

That's the door to the hanger.

PULL BACK and PAN DOWN to FIND Shera, Mermista, Sweet Bee, He-Man, and Frosta concealed behind some rusty tanks below.

SHERA (con't)

That's where Hordak will have taken your ship, Sweet Bee.

153 ON HE-MAN

Looking upward.

HE-MAN

Getting up there won't be easy.

154 WIDER

Sweet Bee is on one side of him, and Frosta is pressed against him on the right. He-Man smiles toward Sweet Bee.

HE-MAN (con't)

But I'll try anything for you, Sweet Bee.

Frosta frowns. But Sweet Bee is not paying much attention to He-Man's attention.

SWEET BEE

I think I know how to get to that door.

She looks around at the others.

SWEET BEE (con't)

But first, I want to tell you all how much I appreciate your help.

155 ON SHERA

She smiles.

SHERA

We're glad to help.

156

ON HE-MAN

Smiling.

HE-MAN

Yes. Very glad.

157

ON FROSTA

Frowning.

FROSTA

Right! Very glad. The sooner you get your ship back, the sooner you go home!

158

WIDER

She glares around He-Man at Sweet Bee.

FROSTA (con't)

Shall we get started?

Sweet Bee looks startled at her tone, but nods.

SWEET BEE

Right! Let's do it!

Wings HUMMING, she LAUNCHES herself into the air.

159

WIDE

Sweet Bee FLIES up to a point in the air looking at the hanger door and HOVERS.

SWEET BEE

What my friends need is a ladder, so...

160

CLOSER ON SWEET BEE

She ANTICS with her arms.

SWEET BEE (con't)

One honeycomb ladder, coming up!

ZING! She fires a yellow beam OS...

161

WIDE - ON HANGER DOOR

The yellow beam STRIKES and FORMS into a honeycomb ladder that stretches to the ground.

162 ON SHERA AND THE GROUP
Reacting.

SHERA
That's our way in! Let's go!

They charge OS.

163 ANGLE ON THE HONEYCOMB LADDER

Shera, He-Man, Mermista and Frosta charge up it.

164 ANGLE ON THE HANGER DOOR.

It is a huge thing of solid steel, studded with bolts and rivets. Shera and He-Man STOP at the top of the ladder and look up to it.

165 CLOSER

Shera ANTICS back with a fist.

SHERA
What I think we need here, my brother, is a dramatic entrance!

166 ON HE-MAN

Also cocking a fist. He grins.

HE-MAN
Couldn't agree more, Shera!

167 NEW ANGLE - ON THE HANGER DOOR FROM INSIDE

With a tremendous CRASH, the door SHATTERS INWARD in an explosion of armorplate, revealing our heroes.

168 ON SHADOW WEAVER AND HORDAK

Standing by the spaceship and gaping at the sight.

SHADOW WEAVER
Shera!

HORDAK
And He-Man!

169 ON THE SHATTERED HANGER DOOR

Frosta and Mermista are inside now. They look at each other.

FROSTA
What? Don't we deserve an announcement?

MERMISTA

Let's show 'em!

ZAP! SLOSH! The two women FIRE, Frosta shooting ice rays and Mermista blasting a firehose stream of water.

170
ON HORDAK

His arm is a cannon now. FLAME ROARS from it, meeting the ice-and-water beams. STEAM EXPLODES everywhere! Hordak turns his head and yells OS.

HORDAK

(yelling)

Call out the guard!

171
ON AN ALARM BEACON

It begins to WHIRL, flashing lights and giving off a SIREN as STEAM starts to FILL THE SCENE and there are several OS CRASHES and CAMERA SHAKES.

172
ON A DOORWAY

It BURSTS OPEN and Horde Troopers charge in, FIRING RAYS!

173
ON SHERA

Drawing her sword as rays zip around her.

SHERA

Sword to shield!

The sword becomes a shield and the rays deflect off her shield.

174
ON TWO TROOPERS - FIRING

Hit by rays, they explode! But then, more Troopers run through.

175
ON SHERA

Reacting.

SHERA

More robots!

176
ANGLE ON SHERA

She goes into a stock KICK.

177
ON THE EXPLODED TROOPERS

As we saw before. There is an OS CRASH, and the other robots FLY THROUGH SCENE, shattered and sparking.

178
ON SHADOW WEAVER

She has He-Man bound helplessly in beams of darkforce.

SHADOW WEAVER

I have you, He-Man!

179
ON FROSTA AND MERMISTA

Reacting.

FROSTA

You leave him alone!

She and Mermista FIRE OS.

180
ON SHADOW WEAVER

Hit by beams of water and freeze, she is instantly surrounded in a ball of ice!

SHADOW WEAVER

(squawk of fury)

181
ON HE-MAN

Reacting as the darkforce bonds holding him VANISH.

HE-MAN

I'm free!

182
ON DOORWAY

More Troopers charge in.

183
ON HE-MAN

He GRABS the ice-ball that holds Shadow Weaver.

HE-MAN

This ice-ball should be just what I need! Come on, Weaver, let's go for a spin!

He rolls it OS like a bowling ball.

HE-MAN (con't)

(grunt)

184
ON THE TROOPERS - TRACKING

As they CHARGE FORWARD. Suddenly, the ice-ball ROLLS THROUGH SCENE, squashing them flat!

185

ON MERMISTA AND FROSTA

Mermista cheers.

MERMISTA

That's showing those robots,
He-Man!

Then she REACTS as Frosta glares at her suspiciously.
Mermista sighs and rolls her eyes.

186

ON MORE TROOPERS

Charging in.

187

ON SWEET BEE

Hovering in the air. She REACTS.

SWEET BEE

Uh, oh! More robots!

She goes into a dive.

SWEET BEE (con't)

I'd better wrap this up!

188

ON THE ROBOTS

As they charge TOWARD CAMERA. Suddenly, Sweet Bee FLIES THROUGH, leaving a sweet beecomb-net stretched across her path. The Troopers CHARGE INTO IT and are tangled up.

189

NEW ANGLE - WITH SHERA

As she RACES IN toward the tangled robots.

SHERA

Nice job, Sweet Bee! I'll take it from here...

190

ON SWEET BEE - HOVERING

SHERA (con't VO)

...you just get to your spaceship!

SWEET BEE

Right, Shera!

She flies down OS.

191

ON HORDAK

By the spaceship. He REACTS.

HORDAK

So! They're after the spaceship, eh?

His arm forms into a blast cannon.

HORDAK (con't)

Well, we'll just see about that!

192
ON SHERA

She has both ends of the honeycomb net, with the Troopers all wrapped up in the middle, as though in a mesh bag.

SHERA

You robots want to know how to get this party really swinging?

She braces.

SHERA (con't)

Let me show you!

She begins to swing the net around and around, faster and faster, then lets go!

193
ON THE BUSTED HANGER DOOR

The bagful of robots sails out the door and into the far distance.

194
ON SWEET BEE

Settling into the cockpit of the spaceship. The viewscreen is destroyed, but Sweet Bee reaches for the other controls.

SWEET BEE

This evil Horde is horrible! I must get back to the Hive to warn my people! Contact!

She PUSHES a button. We hear a ROAR, then an OS BOOM and CAMERA SHAKE. The ROAR stops dead. Sweet Bee REACTS.

SWEET BEE

(startled)

What!?!

195
ON HORDAK

His arm cannon smoking. The tail rockets of the spaceship are destroyed.

HORDAK

You're not going anywhere, bee-brain!

196
CLOSER ON HORDAK - SNARLING

HORDAK (con't)
I'm going to enslave your people,
and you're not going to stop me --
URK!

He is GRABBED from behind by He-Man.

HE-MAN
Well, I'm going to stop you,
Hordak!

HORDAK
That's what you think, He-Man!

ZING! He TRANSFORMS into his rocket-form and BLASTS OFF,
zooming right out of He-Man's arms.

197
ON HORDAK - AS ROCKET

As he ZOOMS AWAY into the inner recesses of the Fright Zone.

HORDAK
(triumphant -- fading)
You have failed! Failed!

198
ON THE SPACESHIP

As our heroes gather around it, Sweet Bee slumps
disconsolately in the pilot's chair.

SWEET BEE
(upset)
I'm afraid he's right.

199
CLOSER ON SWEET BEE

The place where the viewscreen was is only a blackened hole.

SWEET BEE (con't)
The radio's gone, and my rockets
are destroyed. There is no way to
warn my people.

She bows her head.

SWEET BEE (con't)
They will become Hordak's slaves.

200
ON SHERA

Looking determined.

SHERA

Maybe not! Can you still steer
this spaceship?

201
ON SWEET BEE

She looks up, hopelessly.

SWEET BEE

(tonelessly)

Yes, I still have steering jets...
but what does that matter? I can't
blast off.

202
ON SHERA AND HE-MAN

SHERA

You don't have to!

She looks at He-Man.

SHERA (con't)

Right, He-Man?

203
ON HE-MAN

He grins.

HE-MAN

Right you are, Shera!

He dashes OS.

204
ON THE HANGER DOORWAY

He Man and Shera each take a position on either side. They
brace against the sides.

SHERA

Now, He Man!

205
CLOSER ON SHERA

As she begins to shove against the side of the doorway.

SHERA (con't)

(straining)

Push!

There is a GROANING of metal.

206
WIDE

As the two heroes push, the doorway rips wider, tearing open
the wall and the roof of the hangar in a huge RIP, exposing
the sky.

HE MAN

There! That should do it.

207

ON SWEET BEE'S SHIW

The two He-heroes ENTER SCENE and LIFT the ship off the ground.

HE-MAN (con't)

There's more than one way to get into space!

208

UPSHOT - ANGLE ON HANGER DOOR FROM OUTSIDE

The nose of the spaceship MOVES out the door and stops.

SHERA (VO)

Are you ready, Sweet Bee?

209

ON THE COCKPIT

As it closes. Sweet Bee WAVES.

SWEET BEE

Ready, Shera!

210

ON SHERA

Holding up her part of the ship. She looks over at He-Man.

SHERA

Are you ready, He-Man?

211

ON HE-MAN

Also holding the ship. He nods.

HE-MAN

Ready, Shera!

212

ON SHERA

SHERA

Right, then! One...Two...Three.

213

WIDE

The two heroes THROW the ship into the sky!

SHERA (con't)

Blastoff!

214

ON THE PLANET ETHERIA - FROM SPACE

Sweet Bee's ship ZOOMS UP from the clouds and up PAST CAMERA.

215
ON THE HIVE - DEEP SPACE

Sweet Bee's ship zooms PAST CAMERA and into the distance toward it. HOLD a LONG BEAT, then:

WIPE TO:

216
THE TOP OF A MOUNTAIN - NIGHT

START TIGHT on a star -- a brighter one than the others. The star suddenly sprouts a tail of fire and begins to move OFF.

SHERA (VO)

Well, there goes the Hive...

WIDEN to reveal our little group gathered on top of the mountain, looking up at the vanishing Hive.

SHERA (con't)

Sweet Bee must have gotten back safely and warned them away from Etheria.

217
ON MERMISTA

Looking up.

MERMISTA

I hope they find a nice planet soon -- one free from the Evil Horde.

218
ON HE-MAN

Looking down at Mermista.

HE-MAN

I'm sure they will, Mermista.

He looks up again, a little longingly.

HE-MAN (con't)

I just wish...I'd had a chance to say goodbye.

(sighs)

But...now she's gone.

219
ON FROSTA

Smiling upward.

FROSTA

(happily)

Yes, she certainly is...

220
WIDER

Frosta leans against He-Man's arm happily.

FROSTA (con't)
(cheerful)
But I'm not!
(she signs)
Aren't the stars romantic,
He-Man?

He-Man gives her a worried glance, then inclines his head toward Shera.

HE-MAN
(sotto)
Uh, Sis...

221
CLOSER ON HE-MAN AND SHERA

He-Man is whispering out of the side of his mouth.

HE-MAN (con't)
(sotto)
...I think...I'd better cut my
visit short...go home early...know
what I mean?

SHERA
(sotto)
Of course, my brother. I
understand perfectly.
(louder)
You're chicken!
(she snickers)

222
WIDER

PULL BACK as Shera and Mermista go into gales of laughter and Frosta wriggles more comfortably into He-Man's side.

SHERA, MERMISTA
(laughter)

He-Man SHRUGS HELPLESSLY into CAMERA, and we:
