"A Fish Called Snappy"

FADE IN:

EXT. - GREEK RUINS/CYPRESS GROVE-DAY

PUSH IN on the fallen white marble columns in a grove of cypress trees, as we hear:

GREEDY (VO)
Put it there, Papa Smurf!

SNAPPY (VO)
Nah, it goes there!

ANGLE - PAPA

PAPA huddles over a stone table, like a surgeon. He's trying to place the crystal he's holding, onto a half completed crystal structure. Behind him, a group of Smurfs (including GREEDY, BRAINY, CLUMSY, SASSETTE, SNAPPY) LEAN IN, giving unwanted advice to the increasingly frazzled Papa.

CLUMSY
Gosh, I'd say it goes there!

BRAINY
Well, if you ask me, it's perfectly
obvious...

SASSETTE
Nobody asked you! Over there, Pappy!

PAPA
ENOUGH!

ANOTHER ANGLE - PAPA AND SMURFS

Papa, hands on hips, turns to the now silent Smurfs.

PAPA (CONT)
I know you're all trying to help!
But it'll be easier for me to Smurf
the crystals together if you'd find
something else to do!

HIGH ANGLE - SNAPPY

Who points down to the blue ocean below.

SNAPPY

Smurfaroo! Why don't we all go take a dip?

SASS

ANGLE - SMURFETTE AND PAPA

SASS

Smurfette hands some crystals to Papa.

SASSETTE

Sweatin' swallows, Pappy! Can we go swimming? Huh, can we?

PAPA

Well, I don't see why not but...

ANGLE - SNAPPY AND SASSETTE

Snappy REACTS, tugging on Sassette's pigtail.

SNAPPY

Yahoo, Smurferoo! Last one in is a scaredy Smurf!

Snappy races O.S.

PAN WITH SNAPPY

Who's running, but suddenly is not getting anywhere. (Stop PAN)

GRANDPA (VO)

Not so fast, my little Smurfling!

PULL BACK to see GRANDPA has lifted Snappy off the ground by his tunic with his walking stick. Snappy is just running in place.

GRANDPA (CONT)

Now...You were saying, Papa?

OTS PAPA - ON BRAINY, GREEDY, CLUMSY, SMURFETTE, SASSETTE

PAPA

Ahem, Grandpa will be in charge at the beach, my little Smurfs! Remember to obey him... And be careful where you swim...

ANGLE - SNAPPY AND GRANDPA

Who eagerly nods his head as Grandpa lets him down.

SNAPPY

Sure thing, Papa Smurf!

Snappy races off.

ANGLE - PAPA

Who rolls his eyes.

PAPA

....because you never know what you
might encounter in strange seas!

DISSOLVE TO:

EXT. - SEA/GALLEY - DAY

A ship powered by GALLEY SLAVES knifes through the sunlit water, the oars working in unison. PUSH IN on the aft deck where GLUTTONUS, the obese master of the ship, sprawls on a divan. SERVANTS bearing platters piled high with food, shuffle in a continuous circle around the couch as the complaining Gluttonus stuffs his face.

GLUTTONUS

You servants should be ashamed! How
dare you serve me, Gluttonus the
Gourmet, this same old slop?!

CLOSER - GLUTTONUS

Who shoves a whole loaf of bread into his mouth, then GULPS down a bowl of soup.

GLUTTONUS

(MUNCHING)

Why, I can hardly eat it!

(GULPS)

Cook! Isn't there anything new to
chew under the sun?

ANGLE - COOK AND GLUTTONUS

A shuffling COOK thrusts a steaming round platter under Gluttonus' nose.

COOK

Try this, Master Gluttonus. It was
brought from a foreign shore by
Alexander the Great!

Gluttonus pops a wedge from the platter into his mouth. He is pleased.

GLUTTONUS

Not bad! What is this? (MUNCHES)

ANOTHER ANGLE - GLUTTONUS AND COOK

COOK

It is called Pizza, Master.

Gluttonus pops in another slice.

GLUTTONUS

Let's shorten that to Pizza...And
tell Alexander that next time, I'll
have extra cheese and sausage!
(MUNCHES)

ANGLE - GLUTTONUS AND SECOND SERVANT

Another SERVANT offers Gluttonus a platter piled high with fruit. The gross Greek tilts the platter, so that every bit of fruit ends up in his mouth. SFX: CHEWING, SLURPING, GULPING.

CLOSE ON GLUTTONUS

Whose cheeks BULGE as he spits out the pits (SFX: MACHINE GUN BULLETS) and wipes his mouth.

GLUTTONUS

Enough of these boring tidbits!
Cook! Bring on the main course!

ANGLE - GLUTTONUS, THIRD SERVANT AND COOK

Another SERVANT thrusts a covered platter under Gluttonus' nose, as the Cook whips the cover off.

COOK

Only the tenderest turkey for you,
Master!

The incredible bulk SHRIEKS in disgust.

GLUTTONUS

Turkey?! Ooh, I'm fed up with fowl,
you fawning flunky!

CLOSER ON GLUTTONUS

Who angrily sweeps the turkey off the platter and over the side of the galley as he BELLOWS.

GLUTTONUS (CONT)

I demand something never before
devoured! A unique treat to
tantalize my tastebuds!

The nervous Cook LEANS IN as Gluttonus adds:

GLUTTONUS (CONT)
Or you're going over the side!

CUT TO:

EXT. - SEA - CONTINUOUS

A WATER SPRITE (female, fish body, human arms, fishy face) surfaces next to the galley, just as the turkey FALLS INTO FRAME. A drumstick "conks" the Sprite and she is "dunked" beneath the water. She quickly bobs to the surface and rubs her head.

SPRITE
Ohhhhhh....The seven seas just aren't
safe for a Water Sprite these days!

The Water Sprite ducks just in time as an oar WHIZZES overhead

WATER SPRITE (CONT)
Not safe at all!

The Sprite dives away

PAN ACROSS THE WATER

As the Sprite POPS up and swims lazily on her back.

WATER SPRITE
Ahh, now for a nice peaceful swim!

Suddenly a small, terrified FISH, pursued by a larger FISH, DARTS THROUGH FRAME. The wake left by the larger fish "dunks" the Sprite. She looks indignantly at the O.S. duo..

SPRITE (CONT)
Why that big bully! I'll teach him
to pick on some fish his own size!

CLOSER - WATER SPRITE

Who claps her hands together, calling O.S.

SPRITE (CONT)
LITTLE FISH WHO FLEES IN FRIGHT...
I HEREBY GRANT YOU JAWS TO BITE!

PAN WITH LITTLE FISH

As it flees, it GLOWS magically, then opens its mouth to reveal huge, shark-like jaws. The fish REACTS, makes a fast turn, and swims back the way it came.

ANGLE - BIG FISH

The little fish (with the big jaws) swims INTO SHOT so the two fish are now on a collision course. The big fish REACTS to the snapping jaws, SKIDS to a halt on its tail, and reverses direction, swimming O.S. The little fish swims right behind, SNAPPING its monster jaws.

DISSOLVE TO:

EXT. - SEASHORE - DAY

The Smurfs (including Sassette, Brainy, Greedy and Clumsy) are swimming and splashing in the water. Grandpa, holding his walking stick, is in the shallows, up to his knees. Snappy, who is farthest from shore, YELLS at the top of his lungs.

SNAPPY

Help! Something's got me!

Snappy sinks beneath the surface of the water.

ANGLE - OTHER SMURFS

The Smurfs REACT.

SMURFS (AD LIB) (VO)

(Frightened WALLAS)

ANGLE - GRANDPA SMURF ON BEACH

Grandpa, his walking stick clenched in his teeth, dog paddles frantically towards the o.s. Snappy.

GRANDPA

(Garbled, because of the stick)
Smurfatooti! Hold on, Snappy...I'll
save yuh....'

ANGLE - GRANDPA AND SNAPPY

Snappy surfaces behind Grandpa, grabs him around the neck playfully, which dunks the elder Smurf. The Smurfling laughs uproariously.

SNAPPY

(laughing)
But who's gonna' save you, Grandpa
Smurf?!

CLOSER ON SNAPPY AND GRANDPA SMURF

Grandpa surfaces, sputters angrily at Snappy who treads water next to him.

GRANDPA
 (sputtering)
 Smurf-nab it, Snappy! What have I
 told you about foolin' around in the
 water?! It's downright dangerous!

Grandpa wrings out his wet beard. SFX: SQUELCH.

WIDER ON GRANDPA AND SNAPPY

SNAPPY
 Smurfaroo! I was just tryin' to
 have a little fun....

Snappy starts to swim away from Grandpa, SPLASHING WATER on
 Grandpa as he kicks.

ANGLE - FLOATING KELP

As Snappy SWIMS IN and grabs a piece of kelp. He makes a loop at
 the end, and throws it like a lasso O.S.

SNAPPY (CONT)
 Now this looks like fun!

ANGLE - LARGE FISH

A large FISH REACTS as the kelp FLIES INTO SCENE, lassoing the
 fish's tail. The fish increases its speed with the kelp becoming
 taut behind it, as we see Snappy PULLED THROUGH SHOT, pulled by
 the fish.

SNAPPY
 Yahoo! Smurferoo! Ride 'em Snappy!

PAN WITH SNAPPY as he hangs on to the kelp, and "water skis"
 roughshod through the Smurfs, aplashing them, knocking them down,
 bowling them over.

SMURFS (AD LIB) (VO)
 (Angry WALLAS)

ANGLE - GRANDPA SMURF

As Snappy whizzes THROUGH SHOT, the elder Smurf jumps out of
 Snappy's way, loses his footing, and is "dunked" again.

ANOTHER ANGLE - GRANDPA

Who furiously waves his walking stick at the o.s. Snappy.

GRANDPA
 Snappy Smurf, you let that poor fish
 go.. And stop pesterin' everySmurf!

ANGLE - BEACH

An angry Grandpa Smurf wades out of the water, muttering.

GRANDPA (CONT)
Ooh, it'll be a cold day in Crete
before I take that Snappy Smurf
swimmin' again!

WIDER TO INCLUDE SASSETTE

She runs up to Grandpa, excitedly points seaward.

SASSETTE
Grampy! Look!

GRANDPA
If it's Snappy showin' off, I don't
want to see it!

SASSETTE
No, look!

Grandpa whirls around, shades his eyes, looks and REACTS.

ANGLE - WATER SPRITE

Who, with a disgruntled look, is rubbing her sore head, as she swims towards the beach.

GRANDPA (VO)
Smurfaroski! It's a Water Sprite!

WIDE ANGLE - GRANDPA AND SMURFS

CAMERA PANS as Grandpa runs along the shore "shooing" the Smurfs out of the water, as he waves his walking stick.

GRANDPA (CONT)
Up on the beach, Everysmurf! Those
critters can be real trouble if you
get 'em mad!

ANGLE - SASSETTE

The frightened Smurfling stands in ankle-deep water, pointing
O.S.

SASSETTE
Laggin' lobsters! But Snappy's still
out there!

CUT TO:

EXT. - SEA - CONTINUOUS

Snappy is now floating on his back.

SMURFS (VO)
Get out of the water, Snappy! And
hurry! Snappy!

ANGLE - SNAPPY

Snappy rolls over on his stomach, looks shoreward.

SNAPPY
Smurfaroo, now what have I done?!

ANGLE - SNAPPY AND WATER SPRITE

The Water Sprite PADDLES INTO SCENE. HOLD A BEAT as both REACT,
and Snappy points a finger at the Sprite, laughing uproariously.

SNAPPY
Hey! What kinda' funny lookin' fish
are you?

The outraged Sprite GLARES at Snappy.

SPRITE
I am not a fish!

ANOTHER ANGLE - SNAPPY AND SPRITE

Snappy swims slowly around her, still laughing. The Sprite
follows him with her head which she is able to swivel completely
around.

SPRITE (CONT)
I happen to be a Water Sprite...And I
am not having a very good day.

CLOSER ON SNAPPY AND SPRITE

SNAPPY
Yeah? Well, maybe this will cheer
yuh up.

Snappy slaps the water with his open palm, drenching the Sprite.

CLOSE ON SPRITE

Who is furious.

SPRITE
 Why you impertinent little waterbug!
 I'll teach you not to spritz a
 Sprite!

The Sprite claps her hands.

SPRITE (CONT)
 OH, NAUGHTY ONE...NOW HEAR MY WISH,
 YOU TICKED ME OFF, SO LEARN TO FISH!

WIDER ON SNAPPY AND SPRITE

Snappy emits a BLUE GLOW and is transformed into a flapping, blue fish.

SPRITE (CONT)
 (mimics Snappy's earlier line)
 Now, what kinda' funny lookin fish
 are you? (CHUCKLES)

With a LAUGH, the Sprite dives away as we...

CUT TO:

EXT. - SEASHORE

Clumsy watches from the beach as Snappy the fish SWIMS INTO SHOT.
 Snappy's voice is now GURGLY.

SNAPPY
 Helllllllllllllllp! I'm in deep
 trouble!

CLUMSY
 Gosh, I'll say!

ANGLE - SAND

Snappy flops up on the sand as Sassette and Brainy LEAN IN.

SASSETTE
 Floppin' flounder!, That Water
 Sprite turned you into a fish!

CLOSER - BRAINY AND SNAPPY-FISH

BRAINY (CONT)
 Yuck! He's so slimey... whew, not to
 mention a bit smelly!

The Snappy-fish spews a stream of water right into Brainy's face.

SNAPPY
(Gurgling LAUGHTER)

CLOSER - BRAINY

Brainy, annoyed, wipes his face.

BRAINY
Ooh, you're a fresh little fish,
aren't you?!

ON SNAPPY

Whose laughter turns to gasping coughs.

SNAPPY
Ha, ha... (COUGH...COUGH) Can't
breathe...! (GASPS)

WIDER TO INCLUDE SASSETTE AND GRANDPA

Who spring forward and scoops Snappy up from the sand.

SASSETTE
Grampy! His little gills are givin'
out!

GRANDPA
Smurfarooni! We've gotta get 'im
back in the water!..

ANGLE - WATER'S EDGE

Sassette and Grandpa toss Snappy back in the water, with a
SPLASH.

GRANDPA (CONT)
And now I've gotta' get back to tell
Papa Smurf what's happened here!

ANGLE - GRANDPA, GREEDY, CLUMSY, SASSETTE AND BRAINY

Using his walking stick as a pointer, Grandpa gestures at the
four.

GRANDPA (CONT)
You young'uns stay here and don't let
that poor, Smurfling..uh..Smurf-
fish..uh..Snapper....out of your
sight!

CUT TO:

EXT. - WATER

Greedy, Clumsy, Brainy and Sassette are in the shallows, watching Snappy cavort in the water. The little blue fish jumps in and near them.

SASSETTE
Graceful grunion, Snappy! How does
it feel to be a fish?!

SNAPPY
I've really taken to it...kinda like
a fish to water! Watch!

ANGLE - SNAPPY

Snappy jumps out of the water, does a graceful somersault, then goes under.

ANGLE - BRAINY

Brainy looks at the water, annoyed.

BRAINY
Now, where did that goofball with
gills go to?

Snappy surfaces next to Brainy and WHAPS his fish tail, showering Brainy with water.

SNAPPY
Didja miss me, Brainy? I sure didn't
miss you! (GURGLING LAUGH)

CLOSE - BRAINY

Brainy angrily removes his glasses and shakes the water off them, as he stalks toward shore.

BRAINY
Ooh, the most brilliant Smurf of all
time, babysitting a silly snapper!

OTS CLUMSY, SASSETTE AND GREEDY - ON SNAPPY

As the three watch Snappy, who continues his acrobatics, the galley glides INTO SCENE behind the performing fish. The Smurfs anxiously wave their arms.

SNAPPY
(calling)
Well? How do ya like these fish
tricks?

CLUMSY

Gosh, look out behind yuh, Snappy!

GREEDY

Yeah, a boat's comin'!

CLOSE ON GALLEY AND SNAPPY

A long pole with a net attached SWISHES THROUGH SCENE, dips into the water and scoops up Snappy.

SASSETTE (VO)

Captured condors! Snappy's been snagged!

CUT TO:

EXT. - DECK OF GALLEY - DAY

Gluttonus, reclining on his divan, is polishing off a huge wedge of cheese. Servant #1 approaches with a platter.

SERVANT #1

Master, I thought perhaps these fresh vegetables would...

ANGLE - GLUTTONUS AND SERVANT

The servant cringes as Gluttonus REACTS to the platter.

GLUTTONUS

Fresh vegetables? Do I look like I need health food?

CLOSE ON GLUTTONUS

As he uses his big belly to bounce the produce and the platter overboard.

CUT TO:

EXT. - SEA/GALLEY - CONTINUOUS

The Water Sprite surfaces next to the galley just as the vegetables FALL INTO FRAME. She is splattered with tomatoes and a large cucumber "dunks" her. She sputters to the surface.

SPRITE

Ooh, I'm not going to take much more of this!

A BEAT and the platter DROPS IN to CLANG on her head.

SPRITE (CONT)
Oww! That does it!

ANOTHER ANGLE - GALLEY

As the Sprite swims in, deeping pace with the ship, she shakes her fist, puffs herself up and YELLS.

 (yelling)
STAY OUT OF MY WAVES, YOU FLOATING
GARBAGE BARGE!

CLOSER - SPRITE

The same net SWISHES INTO SCENE. The Sprite REACTS, dives under.

finicky fatso!

 SNAPPY
 (GASPING)
Let-me-go!

DISSOLVE TO:

EXT. - SEASHORE - DAY

Clumsy and Greedy are easing a crudely made raft into the water.

 CLUMSY
Gosh, Brainy, are yuh sure we can
find the ship that took Snappy?

ANGLE - BRAINY AND SASSETTE

Brainy hops on the raft, splashing water all over Sassette.

BRAINY

Of course I'm sure!

SASSETTE

Well, I'm not sure about this raft,
Brainy!

ANGLE - BRAINY - ON RAFT

BRAINY

Trust me, Sassette! I, Brainy Smurf,
designed this raft, and I assure you
it's absolutely...

On Brainy's last line the raft disintegrates and Brainy is
"dunked". Sassette, Greedy and Clumsy LEAN IN.

SASSETTE

Worthless!

SPRITE (VO)

Ha, ha, ha!

WIDER - TO INCLUDE

The Water Sprite has surfaced next to the Smurfs, and the
sputtering Brainy.

SPRITE (CONT)

That's the funniest thing I've seen

Smurfs SPLASH frantically O.S.

BRAINY (CONT)

Yii! It's the Water Sprite!

GREEDY

Smurf for your lives!

ANGLE - BEACH - ON CLUMSY AND BRAINY

The duo stagger out of the water. A long string of kelp dangles
from around Clumsy's neck. He sees it swaying back and forth,
and REACTS.

CLUMSY

Oh, no! She's done it! That Water
Sprite has turned me into an octopus!

The kelp WHAPS Brainy in the face.

BRAINY

Ooh, you're not an octopus! That's just kelp, you klutz!

ON WATER SPRITE

She's laughing, as she swims.

SPRITE

Ha, ha! Oh, that's a good one!

ANGLE - SASSETTE - PANNING

As she swims towards the beach, she sees the Water Sprite GAIN ON PAN, and swims faster.

SASSETTE

No! Keep away! I'm too young to be a fish!

SPRITE

Wait! You don't have to be afraid of me.. I'm really a very nice Water Sprite!

ANGLE - SHALLOW WATER

As she reaches the shallow water, Sassette stands up, hands on hips and faces the Water Sprite who SWIMS INTO SHOT.

SASSETTE

Oh yeah? Well, nice Water Sprites don't go around turning Smurflings into snappers!

SPRITE

You mean that rude little blue creature who splashed me? I was just trying to teach him some manners...

OTS WATER SPRITE - ON SMURFS

SPRITE (CONT)

I have every intention of changing him back....

GREEDY

Looks like you missed your chance! Some big old row boat came along and smurfed him right out of the water...

CLOSE - SPRITE

Who REACTS, swivels her head seaward, then turns back to the O.S. Smurfs.

SPRITE

(upset)

Oh dear! He must be trapped on that floating trash tub! And I can't use my magic on him, unless he's in the water!

ANGLE - SASSETTE AND BRAINY

SASSETTE

Gee, if we could just get to that boat, I bet we could get Snappy back in the water!

BRAINY

Well, if certain Smurfs had made the raft according to my specifications, we would have been able to find Snappy, and...

ANGLE - WATER SPRITE

The Sprite REACTS, and CLAPS her hands.

SPRITE

Shush!

OTS SPRITE - ON BRAINY AND SASSETTE

Sassette REACTS as some kelp magically WRAPS around Brainy's mouth.

SPRITE (CONT)

I can get you to that galley! Where there's a gill, there's a way!

CLOSE - WATER SPRITE

She claps her hands.

SPRITE (CONT)

DEAR MR. DOLPHIN SO SPEEDY AND SWIFT...
REV UP YOUR FLIPPERS AND GIVE US A LIFT!

WIDER

As A DOLPHIN surfaces under the Water Sprite, so she's on its back. She beckons to the O.S. Smurfs.

 SPRITE (CONT)
 Hurry, little blue ones! Before we
 miss the boat!

WIDE ANGLE - SMURFS

They REACT, all running toward the dolphin, except Greedy.

 GREEDY
 We'd better leave a note for Grandpa
 Smurf....

CLOSE ON GREEDY

Greedy, using a stick, scratches in the sand.

 GREEDY (CONT)
 Dear Grandpa Smurf, we are taking....

As he squints up at the sun, he resumes scratching in the sand.

 GREEDY (CONT)
 ..the two o'clock dolphin to rescue
 Snappy....

DISSOLVE TO:

EXT. - GALLEY - DAY

As Gluttonus shifts on his divan, the deck tilts. A group of servants RUN THROUGH SHOT to the opposite railing and the deck rights itself. PUSH IN on Gluttonus who SNAPS his fingers, pants from the exertion. Servant #1 RUNS INTO SCENE.

 SERVANT #1
 You snapped, Master?

CLOSER ON GLUTTONUS AND SERVANT

Gluttonus GLARES at his flunky.

 GLUTTONUS
 What's for dinner...and where is it?!

WIDER TO INCLUDE THE COOK

He ENTERS, holding a covered tray. He bows.

COOK

Right here, your insatiableness!

CLOSER ON GLUTTONUS AND CHEF

Gluttonus hungrily licks his lips. With a dramatic flourish, the chef whips off the cover, to reveal Snappy swimming about in a fish bowl.

CHEF (CONT)

Our catch of the day! Which I will
be cooking shortly!

CLOSE ANGLE - CHEF'S ARMS HOLDING SNAPPY - GLUTTONUS ON COUCH

SNAPPY

Let me outta' here, ya big
butterball!

Gluttonus REACTS!

CUT TO:

EXT. - SEA/GALLEY - DAY

BRAINY

Personally, I don't see how we're
going to get up there....

WIDE ANGLE - WATER SPRITE AND SMURFS ON DOLPHIN

The Water Sprite claps her hands and the dolphin's tail whips up to SMACK Brainy upward OUT OF FRAME.

Brainy FALLS INTO FRAME, lands on the deck with a THUD.

BRAINY

Oof! Now I see....

So! My tasty tidbit talks!

ANGLE - GLUTTONUS AND SNAPPY

Snappy swims in angry circles, GLARING at Gluttonus.

SNAPPY
I am not tasty! I'm tough! And...
and I've got lots of bones! And if
you eat me, I'll...I'll give yuh bad
breath!

WIDER ANGLE - GLUTTONUS AND COOK

Gluttonus reaches for a banana from the bowl of fruit next to the divan. He begins to peel it, then uses it to point at Snappy.

GLUTTONUS
And how are we going to prepare this
little blue beauty?

CLOSER ON COOK AND GLUTTONUS

The chef LEANS INTO SHOT.

COOK
I thought perhaps stuffed with baby
oysters, and then lightly baked....

ANGLE - CLUMSY, BRAINY, GREEDY, AND SASSETTE

The Smurfs peek out from behind the divan. PUSH IN on Sassette.

SASSETTE
Forcefed falcons! They're gonna'
stuff Snappy!

PAN OVER TO BRAINY...THEN CLUMSY

Brainy makes a face.

BRAINY
Ooh, with oysters!

CLUMSY
Gosh, and then bake him!

ON GREEDY

GREEDY
Oh, that's awful! Any cook worth his
salt knows that snapper should be
stuffed with shrimp...

WIDER ANGLE - SMURFS

To see the Smurfs REACT, glaring at Greedy, who comes to his senses and clamps his hands over his mouth.

GREEDY (CONT)

Lightly sauteed and... Great Smurfs!
What am I saying?!

ANGLE - GLUTTONUS AND CHEF

As Gluttonus stuffs a large wedge of pie into his mouth, he GLARES at his Cook.

GLUTTONUS

Well! Don't just stand there! Start stuffing that snapper!

ANGLE - SMURFS

The trio dart out from behind the divan carrying a banana peel. They place it on the deck and run back behind the divan.

ANGLE - GLUTTONUS AND COOK

The Cook bows, still holding the tray.

CHEF

Yes, your bulkiness! I will begin immediately!

ANGLE - COOK

Who turns away from the divan, steps on the banana peel and SKIDS down the deck. The fish bowl flies upward o.s. as the Cook CRASHES into the railing and falls overboard with a SPLASH.

CHEF

Yiiiiiiiiiii!

ANGLE - SMURFS

The trio run out from behind the divan, their arms outstretched, looking upward O.S.

SASSETTE

Flyin' fishes! Let's catch Snappy!

WIDE ANGLE - SMURFS AND GLUTTONUS

Gluttonus, sprawled on his divan, sees the running Smurfs and REACTS. He quickly grabs his now empty fruit bowl and turns it upside down over the Smurfs.

GLUTTONUS

I don't know who you little blue stowaways are ...but you're mine now!

CLOSER - GLUTTONUS

He stretches out his other arm just as Snappy DROPS INTO SHOT, landing on the Greek's chubby palm. Gluttonus grins.

GLUTTONUS (CONT)

(chuckles)

And I've got you too, my fine finny friend!

DISSOLVE TO:

EXT. - SEASHORE - DAY

A wave SPLASHES in and washes Greedy's message away. As Papa Smurf and Grandpa ENTER SCENE, Grandpa stops, jabs his walking stick in the sand.

GRANDPA

This is the place, all right, Papa. I told those whippersmurfers to stay right here and keep an eye on that poor little Snapper!

ANGLE - GRANDPA AND PAPA SMURF

Grandpa whips a smurfy spyglass out of his beard and starts scanning the horizon as Papa Smurf shades his eyes, looks seaward, then starts walking down the beach.

GRANDPA

But I don't see hide nor Smurf of 'em!

PAPA SMURF

We've just got to keep looking, Grandpa! They'll turn up soon... I hope!

CUT TO:

EXT. - GALLEY DECK

The Cook, shivering in his wet clothes, GLARES at Snappy, who swims in his fish bowl on a table. Tiny oyster shells litter the bottom of the bowl.

COOK
(angry sotto)
His ungainliness wants oyster
stuffing. Now...eat...
those...oysters, you finicky fish!

ANGLE - COOK AND SNAPPY

The Cook tries to drop an oyster in Snappy's mouth, but the blue fish WHAPS it away with his tail and it sticks over the Cook's eye, like a gray monocle.

SNAPPY
No way! I didn't eat 'em when I was
a Smurfling... and I'm not about to
start eatin' 'em now!

QUICK PAN over the deck to:

ANGLE - GLUTTONUS AND SMURFS

The Smurfs are imprisoned in a hanging net. They peer out at the gross Greek, sprawling on his divan.

GLUTTONUS
Now I'll ask you again! Why did you
little blue bandits try to steal my
snapper supper?!

BRAINY
You have it all wrong, your
rotundness...We..uh...

ON GREEDY

Whose eyes light up.

GREEDY
Uh, we were tryin' to save yuh!
Yeah... that blue snapper is...is
poisonous!

WIDER TO INCLUDE GLUTTONUS AND SERVANT

Who POUNDS his fist on the side of the galley, causing a board to SPROING loose and WHAP the Servant O.S.

GLUTTONUS
Preposterous!

ON GREEDY - IN NET

GREEDY
No, POISONOUS! And as a ranking
world class eater, I should know!
All blue snappers are poisonous!

The Greek LEANS IN to glare at Greedy.

GLUTTONUS
World class eater, eh? Very well! I
order you to take the first bite of
my baked snapper! Then we'll see if
the fish is poisonous!

CLOSE ON GREEDY

Who REACTS.

GREEDY
What?! But I can't eat that snapper!
He's a friend of mine.

WIDER - TO INCLUDE GLUTTONUS

GLUTTONUS
Friend? Hmph! You're no world class
