"Megatron's Master Plan" - (PART ONE)

(MP#700-34)

(SCRIPT)

NOTE: SHAWN BERGER IS CHANGED  
TO SHAWN BERGET - (MAY  
BE PRONOUNCED BUR-GAY OR BUR-JAY OR  
BUR-GET AS YOU CHOOSE.)

"BERGER" SOUNDS TOO COMMON, LIKE  
HAM-"BERGER" - ALSO, I DON'T THINK  
"BERGER" SOUNDS HEAVY ENOUGH.

ACT ONE

FADE IN:

EXT. THE DESERT - CROWD OF PEOPLE - DAY

The CAMERA PANS across a group of people including a TV CAMERA CREW and various APPLAUDING (SFX) SPECTATORS, then STOPS on the MAYOR, a middle-aged, dignified man standing on a platform with a microphone. Behind them all is a new solar-power plant. The area is decorated with streamers, balloons, etc.

CLOSER - THE MAYOR

Smiling, he raises his hands. The APPLAUSE STOPS.

MAYOR  
(amplified voice) ~~Ladies and gentlemen. As your mayor, it gives me great honor to officially open this new solar-energy plant...~~ CITIZENS OF CENTRAL CITY, AS YOUR NEWLY ELECTED MAYOR, I TAKE PRIDE IN OFFICIALLY OPENING YOUR NEW SOLAR ENERGY FACILITY..  
CUT TO:

INT. BERGER'S OFFICE - CLOSE ON TV SCREEN WITH MAYOR'S IMAGE

MAYOR  
(natural voice) ~~which has been made possible through the generosity of the well-known Mr. Shawn Berger.~~ WHICH, AS YOU ALL KNOW, WAS GENEROUSLY DONATED BY MY CAMPAIGN OPPONENT AND CIVIC LEADER, MR. SHAWN BERGET.....

The Mayor's image is on a huge TV screen. The CAMERA PULLS BACK to show that the screen is on the wall of a lavishly furnished office, and flanked by two armed GUARDS wearing paramilitary type uniforms. SHAWN BERGET, seen only from behind, sits at his huge desk, looking toward the screen.

LOW ANGLE - SHAWN BERGET

Berget is a big, "Edward Arnold" type middle-aged man, a truly imposing and authoritative figure. His phone is off its hook. He strokes his chin as he watches the o.s. screen, and smiles, almost cruelly. (Subtly ESTABLISH on the desk a CASSETTE, actually the LASERBEAK TRANSFORM.)

ALTHOUGH I DEFEATED HIM AT THE  
POLLS, I TAKE MY HAT OFF TO  
HIM NOW FOR HIS MAGNIFICENT  
CONTRIBUTION TO OUR ENERGY NEEDS---

BERGET

(overlapping the Mayor)

~~I certainly spared no expense~~  
~~--but not for any solar plant.~~

THE VOTERS SHOULD'VE  
ELECTED ME INSTEAD OF  
THAT FOOL----

WIDE SHOT - BERGET, GUARDS AND MAYOR'S TV-SCREEN IMAGE

BERGET

~~When my trap is sprung, I'll be~~  
~~the hero of the day... and that~~  
~~stupid mayor will be just one more~~  
~~of my flunkies! (LAUGHS)~~  
--- AND MY SOLAR PLANT WILL  
BE THE MEANS OF  
SHOWING THEM HOW  
MUCH THEY NEED ME!  
IF THINGS GO AS I PLANNED

As Berget speaks, he sits back in his big chair. The CAMERA  
PANS, passing the two Guards, who react with noticeable fear of  
the man, and PUSHES IN on the mayor's TV-screen image.

BACK TO THE SOLAR PLANT - WIDE ON MAYOR, TV CREW & SPECTATORS

MAYOR

And now, I declare this facility ---  
~~to be ...~~

As he speaks, we hear the SOUND of APPROACHING FIGHTER JETS.  
Everyone reacts to the sky. The CAMERA PANS UP to show four  
jets -- DIRGE, RAMJET, THRUST and, leading them, STARScream --  
ZOOMING toward the plant.

STARSCREAM (VO)

(amplified voice)

INT. OFFICE - ON BERGET - WIDE SHOT

BERGET (LAUGHING)

~~I knew they'd take the bait!~~

MY PLAN'S WORKING! THE  
PLANT WAS THE BAIT AND  
THE DECEPTICONS SWALLOWED  
IT!

Berget, seen from across his desk, reacts with delight. He  
picks up his telephone receiver and speaks into it.

BERGET (CONT)

~~Get ready! They're on the way!~~

IT'S BEGUN! ALERT MY TANK CREWS.....

EXT. LONG SHOT - HIGH ANGLE - MAYOR, TV CREW & SPECTATORS

They all react with terror to the sky and scatter, as --

WIDE ON SPECTATORS

They run in terror, as Thrust ZOOMS THROUGH FRAME, flying over them.

ON RAMJET,

The CAMERA PANS as he ZOOMS down, then HOLDS on some solar panels. The jet CRASHES through them, then keeps flying OUT OF FRAME.

WIDE ON STARSCREAM

He flies down and TRANSFORMS to robot mode, then looks up toward the o.s. Decepticon jets.

STARSCREAM

NEVER MIND THE HUMANS!  
WE'RE HERE TO STEAL ~~our orders are only to steal~~ energy!

CLOSER - STARSCREAM

He produces an empty ENERGON cube from his chest.

STARSCREAM (CONT)

~~Proceed with filling Energon~~  
~~cubes!~~ FILL ENERGON CUBES TO MAXI-POTENTIAL!

WIDE ON THRUST, RAMJET AND DIRGE

The CAMERA PANS as each jet ZOOMS down and TRANSFORMS to robot mode.

ANGLE - DIRGE

He produces an ENERGON CUBE from his chest and walks toward one solar panel.

CLOSER - DIRGE

He holds out the Energon cube, but no energy enters it. He reacts with worry. GETS SOUND LIKE SODA STRAW WHEN THERE'S VERY LITTLE LEFT IN THE GLASS,

The CAMERA PULLS BACK to show him FRAMED by the TV screen.

DIRGE  
(worried)

~~Starscream~~ There's no solar  
energy here.

**STARSCREAM. THIS PLANT IS A FAKE!**

~~BERGER (VO) (LAUGHING)~~  
Now -- attack!

**TO USE YOU, MY**  
**DECEPTICON PAWN —**  
**ANKERS, ROLL!!**

Holding his Energon cube, he reacts with realization. The CAMERA PANS FAST to show the walls of the plant falling down (as if the whole facility is a pre-fab prop). Out roll three slightly futuristic tanks armed with cannons that shoot LASERS at the o.s. Decepticons. (The tanks have clear "bubbles" through which we see them manned by more of Berget's uniformed SOLDIERS.)

WIDE - STARSCREAM AND THE OTHER DECEPTICONS

The LASERS ZAP INTO FRAME, EXPLODING the Energon cubes in the Decepticons' hands.

WIDE ON MAYOR AND TV CREW

The crew keeps the cameras trained on the o.s. action.

BLUR, GLITCHES ON MONITOR**

CLOSE ON SPIKE

He continues looking o.s. expectantly...Then ~~looks down,~~  
~~disheated.~~ **PUTS TAPE AT NORMAL SPEED**

SPIKE (CONT)

But it's still not proof ~~■~~ THEY WERE FAKED. BUT  
IF THERE'S SOMETHING AT THE END OF THE TAPE...  
He looks up again and REACTS...

ON MONITOR SCREEN

The Autobots are seen as before, only they have put their energon cubes down on the ground. Optimus Prime reaches up and removes his head--actually it's a mask, revealing Starscream behind it!

STARSCREAM

That oughta frame those Autobots!  
~~for good~~

CLOSE ON SPIKE

gaping at the screen o.s.

SPIKE

Starscream!!

BACK TO MONITOR

Other "Autobots" remove their masks, revealing themselves to be Skywarp and Thundercracker!

STARSCREAM (CONT)

My performance was excellent as usual, don't you think?!

WIDER ANGLE ON SPIKE

He hits a button on the console, which ejects the tape. He grabs the tape...

SPIKE

Wait'll the mayor sees this!

RAVAGE (VO)

(LOW GROWL!)

Startled, Spike turns, and the CAMERA PANS to the doorway, where Ravage waits, EYES GLOWING!

SPIKE (VO)

Ravage!!

FLIP TO:

EXT. THE SUN AND STADIUM WALL - DUSK

The CAMERA PANS from the sun setting behind the wall --

MAYOR (VO)

~~Autobots~~ -- I have carefully  
weighed all the evidence presented  
at this trial. And I have reached  
a verdict.

--to the stern-faced Mayor sitting at his bench, with the  
Autobots standing before him, Optimus Prime most prominent.

CLOSER - MAYOR

Reacting as if he doesn't like what he is saying.

MAYOR

Autobots ... it is the decision  
of this court that you are --

ON OPTIMUS PRIME AND OTHER AUTOBOTS

MAYOR (VO)

-- guilty of all charges!

The Autobots react with disbelief, CAMERA PANNING across their  
startled faces.

AUTOBOTS

(ad-libs of astonishment and  
disbelief: "Guilty?!", "That's  
crazy!", "We were framed!", etc.)

ANGLE - MEGATRON AND OTHER DECEPTICONS

Megatron turns and smiles with evil triumph at the other  
Decepticons.

AUTOBOTS (VO)

(ad-libs CONTINUE)

WIDE SHOT - SPARKPLUG AND CHIP

THE CROWD

(ad-lib MURMURING)

Sparkplug, Chip and the crowd react to the verdict with shock.

ON MAYOR

He looks back toward the o.s. Autobots, as --

MAYOR

And now, with no further interruptions, I sentence you

~~Autobots~~

WIDE SHOT - AUTOBOTS

MAYOR (CONT-VO)

--to be banished from this planet... forever!

AUTOBOTS

(ad-lib REACTIONS of astonishment and resentment)

CLOSE - OPTIMUS PRIME

Very serious.

OPTIMUS PRIME

Your Honor, we will respect and comply with the decision of this court.

WIDE ON MEGATRON AND DECEPTICONS

SHOT FAVORS Megatron, as they all react with evil smiles.

FLIP TO:

EXT. ROCKET LAUNCHING PAD - NIGHT

A huge rocketship stands on a launching pad, its exhaust smoking. The ship has windows and on its side are the words "BERGET, INC." A boarding ramp leads to an open hatch on the ship. (SFX: HISSING SMOKE) The site is illuminated by spotlights. The CAMERA PANS past more of Berget's tanks and soldiers, to a LONG SHOT of all the Autobots, gathered together in robot mode, and looking toward the o.s. rocket. Near them are Spike, Sparkplug, Chip, the Mayor, Berget, more of his soldiers, and the Decepticons. (They need not all be shown in this opening SHOT.)

ANGLE ON MAYOR, BERGET AND SOLDIERS

Berget is guarded by a couple of his soldiers. The Mayor looks toward Berget, then back at the o.s. rocket, as --

MAYOR

It was most generous of you to provide that spacecraft ~~FOR~~ FOR THE AUTOBOT EXILE, Berget.

MR.

BERGET

A paltry sum to pay -- to rid our  
world of those menacing robots!

ANGLE - OPTIMUS PRIME, WHEELJACK, IRONHIDE, CHIP AND SPARKPLUG  
Everyone is sad.

SPARKPLUG

Isn't there something you can do,  
Optimus Prime?

OPTIMUS PRIME

Negative, Sparkplug... **ANY ACTION WE TAKE NOW...**

CLOSE - OPTIMUS PRIME

Looking down at Sparkplug.

OPTIMUS PRIME (CONT)

-- ~~Sparkplug~~ would be an open  
admission of our supposed "guilt."

WIDE SHOT - MEGATRON AND DECEPTICONS

MEGATRON

It's time to board the rocket--  
now!

Megatron raises his Fusion Cannon threateningly. The CAMERA  
PANS across other Decepticons, all raising their weapons at the  
o.s. Autobots.

ON BERGET'S SOLDIERS AND TANKS

They raise their futuristic laser weapons.

ANGLE - SPARKPLUG, CHIP, AND AUTOBOTS

Sparkplug and Chip watch sadly as the Autobots walk off o.s.,  
seen only from about waist-down.

CHIP

But where will you go?

OPTIMUS PRIME (VO)

To find a new home, Chip...

WIDE SHOT - OPTIMUS PRIME AND OTHER AUTOBOTS

OPTIMUS PRIME (CONT)

Maybe even return to Cybertron.  
Farewell. You and Spike were  
truly good friends.

Looking back at the o.s. Chip, Optimus Prime turns, the other Autobots walking with him, AWAY FROM CAMERA. The CAMERA PANS to show the waiting, SMOKING rocket on its pad.

ON SPARKPLUG AND CHIP

Sparkplug looks around.

SPARKPLUG  
Where is Spike?!

CHIP  
I don't know-- He said something  
about evidence...

CLOSER ON CHIP

He lowers his head.

CHIP (CONT)  
But it's too late for that, now!

CLOSER ON ROCKET

Optimus, then other Autobots, ENTER FRAME and walk up the ramp.

TWO-SHOT - MAYOR AND BERGET

The Mayor looks pensively at the o.s. rocket. Berget looks up and smiles slyly at him.

BERGET  
Something bothering you, Mr.  
Mayor?

MAYOR  
Just hoping ... that we've done  
the right thing.

ON ROCKET

The hatch CLOSES and the ramp moves away from the ship (ELECTRONIC SFX). HISSING SMOKE issues from its exhaust. A couple BEATS LATER, its ENGINES ROAR, FLAMES BLAST from the exhaust, and the ship lifts-off the launching pad. The CAMERA TILTS as it ROARS into the sky.

HIGH ANGLE - CLOSE ON CHIP

A tear rolls from one eye, as his face reflects the FLICKERING LIGHT from the o.s. spaceship.

LOW ANGLE - LONG SHOT - ROCKET

It becomes small in the FRAME as it ROARS into the night sky.  
THE EARTH IN SPACE

The CAMERA PULLS BACK, leaving the Earth behind.

FLIP TO:

EXT. AUTOBOT HEADQUARTERS - NIGHT

The CAMERA PUSHES IN on the volcano.

BERGEY (VO)

Why have you brought me to Autobot  
Headquarters, Megatron?

CUT TO:

INT. AUTOBOT HQ CONTROL ROOM - BERGER AND MEGATRON

They walk through the deserted control room. Berger is puzzled,  
looking up at Megatron, who is smiling malevolently.

BERGER (CONT)

And when do I get my reward for  
helping get rid of the Autobots? *YOU SAID I COULD*  
*HAVE THREE CITIES....*

MEGATRON

Soon, BergeY. For now, you must  
be patient...

WIDE SHOT - TELETRAAN I

Megatron and BergeY step INTO FRAME toward Teletraan I, which is  
still functioning, flashing lights. (COMPUTER SFX to CONTINUE  
THROUGHOUT SEQUENCE)

MEGATRON (VO)

It's time for me to claim my  
personal reward.

BERGEY

I don't understand...

CLOSER - TELETRAAN I

Megatron stops in front of the computer console.

MEGATRON

There's still one thing left to  
do... to make sure the Autobots  
never return to Earth!

The CAMERA PUSHES IN as he shoots LASER BEAMS from his eyes.

ON TELETRAAN I - MEGATRON'S POV

The LASER BEAMS ZAP various circuits on the computer. Suddenly,  
HISSING SMOKE and ELECTRICAL SPARKS shoot from the computer.  
Teletraan I's ELECTRICAL SYSTEM starts to WIND DOWN.

MEGATRON (VO)

(evil, triumphant LAUGHTER)

ANGLE - MEGATRON AND BERGET

MEGATRON (CONT)

My reward, Berget! Now nothing  
can bring back ... or save ...  
the Autobots!

(LAUGHS evilly)

BERGET

(confused, worried)

Megatron, what have you done?!

Megatron is happy. Berget looks at him perplexedly. The CAMERA  
PUSHES IN on Megatron's triumphant face, coming into an EXTREME  
CLOSE SHOT, as --

MEGATRON

I've destroyed their computer's  
communications capability...

DISSOLVE TO:

OUTER SPACE - VAST STARFIELD

The CAMERA PANS across starry space, to the rocket, speeding  
silently through the void at incredible velocity, as --

MEGATRON (CONT-VO)

--making it impossible for them  
to contact ... or be contacted  
by the Earth!

INT. ROCKET - AUTOBOTS

The CAMERA PANS over the entire band of Autobots, all sitting in  
seats within the rocket, all looking ahead unaware of any danger  
to them, as --

MEGATRON (CONT-VO)

But, I've also tampered with  
Teletraan I's guidance-system...  
and have sent the unsuspecting  
Autobots...

EXT. - FULL SHOT ON ROCKET

MEGATRON (CONT-VO)

-- on a one-way, irreversible  
journey... *INTO THE BURNING EYE---*

The CAMERA PANS as the rocket silently speeds, at fantastic  
velocity, through space, toward the sun, blazing in space,  
shooting out enormous streams of flame.

MEGATRON (CONT-VO)

- - - OF ~~the~~ the sun!  
(evil, triumphant  
LAUGHTER)
