1 INT. BYERS HOUSE - LIVING ROOM - NIGHT 8 CONT'D

1

We pick up right where we left off as...

MIKE and ELEVEN gaze at one another, making eye contact for the first time all season... slowly, so slowly, they move toward one another, as if drawn by some unseen force.

Mike isn't even sure if what he's seeing is real.

Are his eyes deceiving him? Is he... *dreaming*?

MIKE

... El?

Eleven gives a small nod. Then --

Mike pulls her into an embrace. *She's real alright.* He holds her tight, *so tight*, as if he's never going to let her go again.

EVERYONE ELSE watches from the sidelines. Slack-jawed.

MAX looks at LUCAS and DUSTIN.

MAX

(low, awed)

Is that...?

Lucas and Dustin nod. Speechless.

Mike and Eleven finally pull out of their embrace. Mike's eyes are filled with tears; his voice trembles with emotion.

MIKE

I... I never gave up on you... I...
I called you -- I called every
night... *every night* for --

ELEVEN

Three-hundred fifty-three days.
(off Mike, surprised)
I... heard.

MIKE

You were... there? Listening?

Eleven nods. She's fighting tears of her own now.

MIKE (CONT'D)

... Why didn't you say anything?
Why didn't you tell me you were
there? That you were okay?

1

Eleven hesitates.

HOPPER (O.S.)
... Because I wouldn't let her.

Mike turns in surprise to find HOPPER, who steps over to Eleven. He looks her up and down, examining her strange new punk clothes, her slicked-back hair.

HOPPER (CONT'D)
What is all this? Where have you
been -- ?

Eleven snaps back --

ELEVEN
Where have you been?

And suddenly it hits Mike. He looks at Hopper. Eyes wide.

MIKE
You've been hiding her... hiding
her *this whole time*.

Hopper hesitates, not even sure where to begin here. But one thing is clear -- he's not denying it. Everyone shares stunned looks as they take in this bombshell.

DUSTIN
Holy. Shit.

Mike is so shocked he can't even find words. He just... stares at Hopper in growing anger. He's about to explode.

And Hopper senses it.

HOPPER
... Let's talk. *Alone*.

We PUSH IN on Mike as his anger grows, and...

MIKE (PRE-LAP)
"Protecting" her??!!

2 INT. BYERS HOUSE - WILL'S ROOM - NIGHT

2

Mike and Hopper are now in Will's room with the door shut.

They're mid-argument, trying to keep their voices down -- but that's difficult for Mike, who is so angry his voice *shakes*.

MIKE
"Protecting" her -- ?!

(CONTINUED)

HOPPER

The more people who know about her,
the more danger she's in -- the more
danger *you and your family* are in --

MIKE

Oh, okay! So I should be -- what?!
Thanking you?!

HOPPER

I'm not asking you to thank me --
I'm just asking you to *try* to
understand --

MIKE

Well I don't, I DON'T understand -- !

HOPPER

Just... don't blame her, alright?
She's upset enough --

MIKE

I *don't* blame her -- I blame YOU --

HOPPER

And that's okay --

MIKE

No, no, it's NOT OKAY!! NOTHING
about this is OKAY!!

WHAM! Mike suddenly punches Hopper right in the gut!

Hopper winces. *Jesus, that kinda hurt.*

MIKE (CONT'D)

You're a stupid -- disgusting --
lying PIECE OF SHIT!

WHAM! Mike punches Hopper again! Again!

MIKE (CONT'D)

A LIAR!! A LIAR!! A LIAR!!

Mike continues to pummel Hopper's gut.

Hopper lets him get a few more shots in, then --

HOPPER

Hey, okay -- that's enough -- hey
hey!! That's enough -- !!!

Hopper pulls Mike toward to him to stop the punching and --

Mike just folds into his arms -- and begins to cry. All of his emotion pouring out of him. Hopper doesn't know even what to do. So... he hugs him back.

HOPPER (CONT'D)
I'm sorry, kid... *I'm sorry...*

Off Hopper, holding Mike tight, we CUT TO:

3 **INT. BYERS HOUSE - LIVING ROOM - NIGHT**

3

A CLOSE UP of Eleven, her head now SMUSHED between...

Dustin and Lucas, who are hugging her at the same time.

LUCAS
... We missed you.

DUSTIN
Yeah. We talked about you like --
pretty much every day.

They finally pull away. Eleven smiles softly.

ELEVEN
I missed you -- too.

Dustin flashes his classic smile. Eleven startles.

ELEVEN (CONT'D)
... *Teeth?*

DUSTIN
Huh?

She points at his mouth --

ELEVEN
You have teeth.

Dustin perks up.

DUSTIN
Oh! Yeah! You like my "pearls"
huh?

Dustin makes his PURRING sound:

DUSTIN (CONT'D)
GRRRRRR!!!

Lucas rolls his eyes. *What an idiot.* Then --

MAX (O.S.)
... Eleven?

Eleven turns to find Max walking over to her now. Max is timid in her approach, clearly in awe of Eleven.

It's almost like she's... a fan girl or something.

MAX (CONT'D)
Hey... I'm Max. I've heard... a lot about you.

Max extends a hand. Eleven looks it. Considers. Then -- Nah. She strides past Max, blowing her off.

Off Max, a little hurt by this...

WE MOVE INTO THE KITCHEN AREA,

Where Eleven walks up to Joyce instead -- and embraces her.

JOYCE
Hey... hey there...

Joyce pulls Eleven closer, gently caresses her hair.

JOYCE (CONT'D)
It's okay... I'm here... I'm here...

As Eleven withdraws from the embrace, she looks up at Joyce with knowing, worried eyes.

ELEVEN
Can I see... him?

Off Joyce...

4 **INT. BYERS HOUSE - JONATHAN'S ROOM - NIGHT**

4

Eeeeeee... The door opens as Eleven enters Jonathan's room.

WILL is laid out on the bed, still unconscious.

Eleven walks over and kneels by his side. She places a hand on his cheek, feeling his cold skin with her open palm.

His eyes still move under his eyelids. We hear the gentle thump of his heartbeat. *Thump. Thump. Thump.*

The group hovers behind Eleven. *An audience.*

JOYCE
... He's sick.

ELEVEN
... I know. I saw.

Shared looks from the kids and teens.

DUSTIN
Super powers...

Joyce considers. Then:

JOYCE
... What else did you... see?

5 **INT. BYERS HOUSE - KITCHEN - NIGHT**

5

Eleven walks up over to the kitchen table where the Morse code message is clearly written: C.L.O.S.E. G.A.T.E.

Joyce sits beside Eleven.

JOYCE
You opened this... Gate before,
right?

FLASHCUT TO: ELEVEN OPENING THE GATE FROM EP #106.

Eleven winces. Feeling guilt, regret.

ELEVEN
... Yes.

JOYCE
If we got you back there... could
you... close it again?

We SLOWLY PUSH IN ON ELEVEN. Scared, but determined.

As we continue to PUSH IN ON ELEVEN, we PRE-LAP:

THE SOUND OF A GROANING coming from...

6 **INT. UNDERGROUND RIFT CHAMBER - NIGHT**

6

The MASSIVE RIFT. We're back underground now.

THE RIFT TOWERS before us. Enormous. Pulsing.

We SLOWLY PULL BACK TO FIND HORDES OF DEMO-DOGS swarming the grounds below. Guarding The Gate. The Mind Flayer's Army.
How in the hell will they even get Eleven in here?

As we ponder the impossible task ahead...

DART steps into close-up. And ROARS.

And right here we CRASH TO --

MAIN TITLES

7 **INT. WHEELER HOUSE - MASTER BATHROOM - NIGHT**

7

We open on FLICKERING CANDLES. CHEESY ROMANTIC MUSIC PLAYS.

The candles are all perfectly lined up along the back rim of a bathtub. *Where are we?* We DRIFT FURTHER BACK to find...

KAREN WHEELER TAKING A BUBBLE BATH!

She's got a glass of red wine in one hand, a ROMANCE NOVEL in the other. The book cover features a half-naked hunk with flowing hair. She flips the page, spellbound, when --

DING DONG! The doorbell rings, jarring her out of her fantasy! She ignores it, returns to her book, but then --

DING DONG! *Again!*

KAREN

Ted -- would you *please* get that??

DING DONG!

KAREN (CONT'D)

TED!!!

8 **INT. WHEELER HOUSE - TV ROOM - NIGHT**

8

TED isn't getting *anything* -- he's SNORING LOUDLY in his La-Z-Boy with the TV BLARING. He doesn't hear the doorbell, much less Karen. DING DONG! There it goes again!

9 **INT. WHEELER HOUSE - MASTER BATHROOM - NIGHT**

9

Karen sighs. She starts to push up out of the tub and...

10 **INT. WHEELER HOUSE - STAIRS - NIGHT**

10

CLOSE ON: Bare wet feet as...

Karen hustles down the steps now, exasperated and annoyed now. She drips water as she hastily ties on a bathrobe.

DING DONG!!

10

KAREN
Just -- hold on -- please!

11 INT./EXT. WHEELER HOUSE - FOYER - NIGHT

11

Karen swings the door. Her annoyance abruptly vanishes.

REVERSE TO REVEAL A VERY SURPRISING VISITOR: BILLY. He looks *stunningly* like the hunk on her romance novel. It's like her fantasy man just... materialized outside of her own home!

Billy seems equally *taken* by her appearance. He glances down at her (somewhat exposed) legs and body.

BILLY
Oh -- hi --

Karen pulls her robe tighter, suddenly self-conscious.

KAREN
(flustered)
-- Hi...

BILLY
I didn't realize Nancy had a sister --

Karen almost chokes on a laugh. Billy is confused --

BILLY (CONT'D)
... What's so funny?

Karen can't tell if he's messing with her or not. She blushes regardless.

KAREN
I'm Nancy's mother --

BILLY
No --

KAREN
Yes --

BILLY
Mrs. Wheeler?

Karen flings her wet hair, laughs a bit --

KAREN
I know. Hard to believe --

BILLY
It is. It is. Wow.

(CONTINUED)

11 CONTINUED:

11

Karen can hardly stand this flattery!

KAREN
And you are...?

BILLY
Oh -- I haven't even introduced
myself, have I?

Billy laughs, holds out his hand.

BILLY (CONT'D)
Billy. *Billy Hargrove.*

*

Karen shakes his hand.

KAREN
And... you're here for Nancy...?

BILLY
Nancy? No no -- not my type. No,
actually -- I'm looking for my
little sister -- Maxine, goes by
Max. Redhead? She's been missing
all day and I've been worried *sick*.
I *thought* she was at Lucas's house.
But Mrs. Sinclair said *your house*
is the designated hangout, so...

Billy leans an arm up against the door frame --

BILLY (CONT'D)
Here I am.

KAREN
... Here you are.

Off Karen, blushing, charmed, we CUT TO:

12 INT. WHEELER HOUSE - KITCHEN - NIGHT - MOMENTS LATER

12

A pen scribbling across a SCRAP OF PAPER as --

Karen writes down directions. She's bent over the counter a
bit, giving Billy *quite* the view of her cleavage.

KAREN
... Their driveway is really dark
at this time, so just drive slow --

BILLY
Oh -- always.

She looks up. Hands Billy the address.

(CONTINUED)

12 CONTINUED:

12

KAREN

And when you see Mike, tell him to
come home already, okay?

BILLY

I can't think you enough
Mrs. Wheeler. You're a real life
saver.

KAREN

Any time.

Billy gives her one last look, then saunters off.

Karen watches his ass sway, lost in another fantasy, and --

13 INT./EXT. BILLY'S CAMARO - WHEELER HOUSE - NIGHT

13

WHAM! The door slams shut as Billy climbs back into his
Camaro. As he slots his key into the ignition, his smile
slowly vanishes from his face. *He's back on mission mode.*

He hammers the gas and the car peels off into the night.

He's headed for the Byers...

14 EXT. BYERS HOUSE - NIGHT - ESTABLISHING

14

A SEA OF FOG drifts across the lawn...

HOPPER (PRE-LAP)

It's not like before -- it's
grown... *a lot.*

15 INT. BYERS HOUSE - KITCHEN - NIGHT

15 *

Hopper and the group debate the plan... *

Hopper seems nervous -- scared even.

HOPPER

And that's even if we get in there --
that lab is crawling with those dogs --

DUSTIN

Demo-dogs.

HOPPER

What?

DUSTIN

Demo-dogs.

(off Hopper)

Demogorgon dogs. Demo-dogs --

15 CONTINUED:

15

HOPPER
How is this important right now?

ELEVEN
... I can do it.

Everyone turns to Eleven.

HOPPER
You're not hearing me --

But Eleven is emboldened with a newfound confidence:

ELEVEN
I'm hearing. I can do it.

Before Hopper can argue back, another voice chimes in --

MIKE
... Even if *El can* -- there's
another problem.

All eyes now turn to Mike.

MIKE (CONT'D)
If the brain dies -- the body dies.

MAX
I thought that was the *whole point* --

MIKE
It is. But *if* we're really right --
if she closes the Gate and it kills
the Mind Flayer's army...

LUCAS
(picking up on this now)
Will is *part* of that army...

Mike nods. *Bingo.*

MIKE
Closing the Gate will kill him.

An OMINOUS SILENCE washes over the group. Everyone scared.

We PUSH IN on Joyce as an idea begins to form. And...

16 INT. BYERS HOUSE - JONATHAN'S ROOM - NIGHT

16

Joyce steps back into Jonathan's bedroom.

(CONTINUED)

16 CONTINUED:

16

As Hopper and others step up behind her, wondering what she's thinking, her eyes move from Will to the open window behind him. The curtain billow gently in the cold breeze.

SILENT FLASH TO WILL STANDING OUTSIDE THE BATHROOM IN #204. STARING IN FEAR AT THE TUB AS THE WATER HISSES -- BOILS.

HE THEN TURNS TO HIS MOM AND TELLS HER THAT --

JOYCE
(low, almost to herself)
... He likes it cold.

HOPPER
... What?

JOYCE
"He likes it cold." Will told me that. And we just -- we just keep giving it what it wants.

As Joyce strides over to the open windows, the others begin to pick up on her idea:

NANCY
If this is virus, and Will's the host --

JONATHAN
We need to make the host *uninhabitable*.

Joyce SLAMS the window shut. Silencing the wind. Then -- She turns back to the others. More confident now.

JOYCE
Maybe we can burn it out of him.

Shared looks from all. It *just might* work but --

MIKE
We'd have to do it somewhere he doesn't know this time --

DUSTIN
Somewhere far away.

We PUSH IN ON HOPPER as an idea hits him. *He knows just the place*. Off his look --

A17 EXT. BYERS HOUSE - FRONT YARD - NIGHT

A17

WHOOM! The front door to the house explodes open as --

Hopper carries Will outside to Jonathan's car.

Joyce and Jonathan walk with him. Hop talks fast.

HOPPER

-- Stay on Denfield until you see a big oak tree -- then swing a right. You'll hit a dead end -- it's a five-minute walk from there --

JONATHAN

And it's channel ten -- ?

HOPPER

Yeah, ten. As soon as he's safe -- you let me know.

Jonathan opens the back of his car. Hopper lays Will gently down inside. Off Jonathan, watching, nervous as hell...

17 **EXT. BYERS HOUSE - SHED - NIGHT**

17

Steve and Nancy rummage through the junk pile, when --

STEVE

... You should go with him.

Nancy looks at Steve, confused.

NANCY

What -- ?

STEVE

With Jonathan.

Nancy shakes her head. Resumes rummaging.

NANCY

No -- I, I'm not leaving Mike --

STEVE

No one's leaving anyone. I may be a shitty boyfriend, but turns out I'm a pretty damn good babysitter.

Steve unearths a PAIR OF DUSTY SPACE HEATERS. He passes one to Nancy.

*

They lock eyes. Nancy still seems unsure, but --

STEVE (CONT'D)

It's okay, Nance.

They share a knowing, emotional look. They both know that this is Steve letting Nancy go -- in more ways than one. *

STEVE (CONT'D) *

It's okay. *

Before Nancy can respond, Steve grabs up his space heater and starts walking away. Nancy watches him go for a beat -- *

Then she follows. As...

A19 **EXT. BYERS HOUSE - NIGHT** A19 *

Mike hugs Eleven by the porch. A heart-wrenching goodbye. *

MIKE

Just... be *careful*, okay?

Eleven nods. Mike pulls out of the hug, fights tears.

MIKE (CONT'D)

... I just... I can't lose you.
Not again.

A tear slips down his cheek.

ELEVEN

... You won't. You *won't* lose me.

MIKE

... You promise?

ELEVEN

Promise. *

Mike doesn't seem so confident, but... *

ELEVEN (CONT'D) *

Friends don't lie. *

Eleven reaches out a hand, gently wipes his tear away. *

Their eyes lock... their breathing quickens...

Are they going to kiss again??

A few feet away, Jonathan, Nancy, and Joyce get into Jonathan's car.

As Nancy starts to climb in, she looks back at Steve, who is watching her from the porch with the kids. They share an emotional look.

*

Nancy climbs into the car. Shuts the door. And...

19 **EXT. BYERS HOUSE - NIGHT - A FEW MOMENTS LATER**

19

VROOM! TIRES SQUEAL, spitting up a wave of dirt as...

Jonathan and Hopper's cars drive away from the house.

Steve, Mike, Max, Dustin, and Lucas all stay behind, watching from the steps of the porch. Everyone is nervous and scared, feeling just... *helpless*. All they can do now is... *wait*.20 **INT. HOPPER'S BLAZER - BYERS HOUSE - NIGHT**

Hopper's Blazer. Speeding down a dark and empty road.

22 **INT. HOPPER'S BLAZER - FORESTED ROAD - NIGHT**

22

Hopper and Eleven ride in awkward silence.

Hopper glances at Eleven, checking out her new look again.

Then he looks back at the road. Then back at Eleven.

Then... back at the road.

HOPPER

So... we're just... not gonna talk about this, huh?

Eleven looks away, annoyed. *Whatever.*

Hopper sighs. *Shit.* He knows this is not the way in.

HOPPER (CONT'D)

I'm not mad, alright, kid? I just --
I want to know where you've been.
That's all.

Eleven looks back at the road. Then, finally:

ELEVEN

(low)
... To see Mama.

Hopper turns to her. *Surprised.*

That was NOT the answer he was expecting.

HOPPER

... Okay.

He gathers his composure, then...

HOPPER (CONT'D)

... And... how'd you get there?

ELEVEN

A truck.

HOPPER

A truck?

ELEVEN

A big truck.

Hopper looks at her. Freaked out by this.

HOPPER

A big truck? Whose big truck -- ?

ELEVEN

A man's --

What man -- ??

ELEVEN

A nice man.

Hopper takes a real deep breath. *Don't snap. Don't snap.*

HOPPER

... Okay. So I'm just... getting this all straight in my head now. A... nice man... in a big truck -- he drove you to your Mama's. And then Becky -- your aunt -- did she give you those clothes? That makeup?

Eleven hesitates. And suddenly we *FLASHCUT TO IMAGES FROM EPISODE #207: KALI AND THE GANG DANCING IN THE CAR -- RAY CARROLL SLIDING ALONG THE FLOOR -- BEGGING FOR HIS LIFE -- THE FBI RAIDING THE WAREHOUSE -- GUNFIRE SPARKING -- AND --*

She fights back tears from these painful, charged memories.

She's faced with a dilemma here. *Lie? Or tell the truth?*

ELEVEN

I...

Screw it. She opts for a third option: *omission.*

ELEVEN (CONT'D)

... I shouldn't have left.

Hopper shakes his head. Not accepting this.

HOPPER

No. No. This isn't on you. I -- I should've been there. And -- I never should've lied to you about your mom. Or about when you could leave. I... I shouldn't'a done a lot of things.

He looks back at the road. Getting emotional now.

HOPPER (CONT'D)

... Sometimes -- I don't know. I... I just feel like I'm this... black hole or something.

ELEVEN

Black hole?

HOPPER

It's a -- thing in space. It sucks everything toward it, destroys it. Sara, she uh -- she had a picture book. About outer space. I can show you.

FLASHCUT TO SARA SPRINTING THROUGH THE PARK. GIGGLING.

HOPPER LIFTS HER UP INTO HER ARMS. LAUGHING TOO.

HOPPER

... My girl. She's my little girl.

Eleven looks at him. Surprised.

ELEVEN

Where... is she?

HOPPER

That's... the thing. She left us --
too early. Way too early.

ELEVEN

(realizing)

... Gone.

Hopper nods. "Gone."

HOPPER

Sometimes bad things-- they happen
to good people, you know? The
black hole. It took her.

FLASHCUT TO SARA FLATLINING.

HOPPER (CONT'D)

... And I've just -- I've been
scared, I guess. That somehow --
it'd take you too.

Shit he's starting to cry now.

HOPPER (CONT'D)

... I think that's why I get so
mad. 'Cause I'm scared, you know?
It's not an excuse... I'm just
trying to figure out why I've been
the way I've been. Towards you.
And I guess I just... I wanna

He looks at Eleven. Finally gets it out.

I can be so... so...

ELEVEN
Stupid.

HOPPER
Yeah. Stupid. *Real stupid.*

Eleven considers. Then:

ELEVEN
... I've been stupid too.

Hopper smiles softly.

HOPPER
... Guess we broke our own rule,
huh?

Eleven. Yeah. *They did.*

Hopper removes his blue bracelet.

HOPPER (CONT'D)
... This was Sara's.

He hands it to Eleven. Eleven takes it.

HOPPER (CONT'D)
I think it'll help with your look.
Give it a little color, you know?

Eleven slips it on her wrist. Moved by this gesture.

HOPPER (CONT'D)
I don't hate it, by the way.

Eleven looks back at Hopper. He motions to her outfit.

HOPPER (CONT'D)
This whole -- *thing*, I mean. It's

WIDEN TO REVEAL: Dustin clearing everything from the fridge!

DUSTIN
Okay, he should fit now...

He turns to the DEAD DEMO-DOG, body wrapped up in a blanket on the kitchen floor.

STEVE
... Is this *really* necessary?

DUSTIN
This is a *significant* scientific discovery -- you can't just bury it like some common mammal --

STEVE
Alright, well -- you're explaining this to Mrs. Byers...

As Dustin and Steve work to SHOVE the dog into the fridge...

LUCAS

The chief will take care of her --

MAX

Steve SLAMS the fridge shut. That did it!

STEVE

Dude, *listen* -- if a coach calls a

MIKE

Okay, first of all, this isn't a
stupid sports game -- and second,
we're not even *in* the game, we're
benched --

STEVE

My point is...
(what was his point?)
Right. We're benched. So. Yeah.
There's nothing we can do.

DUSTIN

Well... that's not *entirely true*.

All eyes go to Dustin.

DUSTIN (CONT'D)

I mean... the Demo-dogs have a hive

And clear a path to The Gate.

STEVE

Yeah -- and then we'll all die.

DUSTIN

Well, that's one point of view --

STEVE

No, that's not a point of view --
that's a fact.

But Mike is into this plan. He fast walks into --

27 **THE KITCHEN - CONTINUOUS**

27

He taps the X on the tunnel map, energized.

MIKE

-- This is where the chief dug his
hole -- this is our way into
tunnels --

The other kids begin to crowd around him. Drawn in now too.

MIKE (CONT'D)

And look -- here -- *right here* --

Mike drags his finger to a HUB of some sort.

MIKE (CONT'D)

This is like a... *hub*. See how all
of the tunnels feed into this?
(the kids nod)
So maybe if we set this *on fire* --

STEVE

Okay, yeah -- that's a NO --

DUSTIN

The Mind Flayer would call away his
army --

LUCAS

They'd all come to stop us --

MIKE

(motioning to map)
And we'd circle back to the exit
here. By the time they realized we
were gone --

STEVE

Guys!! HEY!! HEY!!!

They turn to find Steve, his hands raised in disbelief. This is not the Steve that they're used to. This is not fun Steve. This is a "Dad" Steve. And he's not happy.

He motions to the tunnels angrily.

STEVE (CONT'D)

This -- this is NOT happening --

MIKE

But --

STEVE

NO. No "BUTS." I promised to keep you shitsheads safe, and that's exactly what I'm going to do. We're sitting here -- on the *bench* -- and we're waiting for the starting team to do their job. Does everyone understand that?

The kids share frustrated looks.

MIKE

(under breath)

This isn't a sports game --

STEVE

(firmer)

DOES EVERYONE UNDERSTAND?

More shared looks.

STEVE (CONT'D)

I need a *YES*.

Before anyone gets a chance to give Steve his "yes" --

THERE IS A GROWL OUTSIDE. BUT NOT FROM A DEMO-DOG.

IT'S FROM A CAR ENGINE. A FAMILIAR ONE.

Max's eyes go wide. *It can't be...*

Steve! He's walking out to meet him on his own.

BILLY

Am I dreaming -- or is that *you*,
Harrington?

STEVE

It's me. Don't cream your pants.

WIDE PROFILE SHOT AS: The two "kings" meet halfway between
the car in the house. *A showdown in the Byers driveway.*

BILLY

What are you doing here, amigo?

STEVE

I could ask you the same question.
Amigo.

BILLY

I'm looking for my stepsister. A

Huh. That's weird. Don't know

STEVE

Yeah? How's that?

BILLY

My thirteen-year-old sister is missing all day. Then I find her with you... at a stranger's house... and -- you *lie* to my face about it --

STEVE

Dude. Were you dropped too much as a child or what? I don't know what you don't understand about what I said: She's NOT here --

Billy sniffs. Rubs his nose.

BILLY

Yeah -- okay. Then who is that?

Billy motions behind Steve. Steve turns and sees --

The kids spying out the window. Clearly visible.

BILLY

Well, well, well... if it isn't

Billy starts to move toward the kids. His eyes move to Max.

BILLY (CONT'D)

MAX

Billy, go away --

BILLY

You disobeyed me. And you know

Stunned. Then he looks back at Lucas. His eyes flare.

BILLY

Oh, Sinclair, you're DEAD -- you're

STEVE

No. You are.

Billy turns just in time to meet --

Steve's CLOSED FIST. BAM! IT SOCKS HIM RIGHT IN HIS JAW.

Billy stumbles back. Shaken.

BILLY

You got some fire in you after all,

-- Jonathan plugs the heaters into an extension cord -- and --

WIDEN OUT TO REVEAL: Will secured on the bed, encircled by the various heating sources. *They've created a makeshift oven for Will.* Everyone exchanges looks. Nervous.

JONATHAN

Joyce looks at Will. Lying sick on the bed.

The Blazer SLAMS to a stop in the parking lot.

The doors fly open as Hopper and Eleven exit on either side.

As Hopper crosses to the trunk to grab more weapons, we hold Eleven, whose gaze is fixed on one thing and one thing only:

Hawkins Labs. It towers before her. Imposing. Scary.

AS WE PUSH IN ON ELEVEN, WE FLASHCUT TO VIOLENT, VERY BRIEF MEMORIES FROM HER PAST HERE: ELEVEN DRAGGED DOWN THE HALLWAY -- AN EEG NEEDLE SCRATCHING -- THE CAT HISSING -- AND --

CHA-CHOK! The sound of COCKED SHOTGUN snaps her out of it.

She turns to find Hopper. Armed and ready now. He's got:

The ASSAULT RIFLE taken from the M.P. guard -- a BULLETPROOF VEST over his chest -- a SHOTGUN slung over his shoulder.

He looks almost like... well... a little like Rambo.

HOPPER

... Let me do the heavy lifting up front. Save yourself for when we're below.

Eleven nods. Got it. Then she looks back to the lab. Uneasy.

And then we SNAP TO --

39 **INT. BILLY'S CAMARO - COUNTRY ROAD - NIGHT**

39

AN EXTREME CLOSE UP OF Steve's eyes fluttering awake.

We SLOWLY REVEAL what's happening from Steve's BLURRY POV:

-- He appears to be inside the Camaro. He's buckled up, which is good, because the ride itself seems to be a rocky one.

-- ON HIS LEFT, Mike holds a can of gasoline in his lap. The gas can bobs up and down. The gas inside of it sloshes.

-- ON HIS RIGHT, Dustin, inches away, holds a bag of ice to Steve's bleeding head. He speaks to us in a soothing voice.

DUSTIN

Shhhh, stay still, it's gonna be okay, shhhh...

-- IN THE FRONT PASSENGER SEAT, Lucas reads directions from a GIANT FOLD-OUT MAP OF HAWKINS (the same one that Bob used).

LUCAS

... Okay, you're gonna keep straight for half a mile or so, then take a left on Mount Sinai...

-- AND IN THE DRIVER'S SEAT, Max... DRIVES!

Let us be clear here: Max is DRIVING.

Steve begins to panic, fumbling for words:

Jonathan, Nancy, and Joyce are standing outside of the "heat circle". They've shed layers of clothing and are down to undershirts. Their hair is soaked, their skin dripping sweat. *This little makeshift oven is clearly working...*

No one dares speak to Will. They just watch. On edge. As...

Will grimaces. In pain.

Joyce's eyes harden with determination. *Fuck this thing.*

She silently moves around the bed, and, one by one --

Steve stumbles out last. Still dazed. He finds his balance, then staggers his way around to the back of the car, where --

Dustin distributes supplies from the trunk. Each kid receives one of the following item: 1) swim goggles 2) bandanas 3) gloves 4) gas cans, and 5) flashlights. *Of course.*

Steve watches in growing disbelief. Exasperated:

STEVE
Hey -- guys -- guys!! HELLO??

The kids ignore Steve and continue to put on their protective gear. Goggles go over eyes, bandanas over their mouths.

They look like little POST-APOCALYPTIC BANDITS!

STEVE (CONT'D)
You think you're going down there --
you're -- you're wrong! Okay???

The kids keep moving forward with their plan. Mike ties a ROPE to the front of the car as Steve watches in disbelief.

DUSTIN

His eyes go wide as he takes in the tunnel.

STEVE

We SLOWLY PULL BACK to reveal that the other kids are already down here, exploring this INCREDIBLE, ENORMOUS TUNNEL SYSTEM.

Max and Lucas scan the walls with their flashlights, while Mike studies a HAND-DRAWN MAP (based on Will's drawings).

MIKE
Alright, we don't have much time.
Everyone stay close to me, okay?

Mike starts to lead them down the tunnel, but then --

Steve places a hand on his shoulder, halting him.

STEVE
Any of you little shits die down here -- I'm getting blamed.

He snatches the map away from Mike.

STEVE (CONT'D)

HOPPER

Hopper walks down to the landing and kneels by Owens. He's got two nasty cuts across his chest and a DEEP GASH on his right leg.

HOPPER (CONT'D)

Owens manages a small nod. He tries to speak, but it's taking a lot of energy, and --

Mike looks around. *Seems so.* He turns to the others.

MIKE

Drench it.

The kids quickly set to work, drenching the room in gas. Mike and Max use gas cannisters; Max sprays gas out of the weed killer. Soaking the vines, the walls, the floor, *EVERYTHING IN SIGHT.* They are gonna burn this place to the ground.

As gas SPLASHES OFF THE WALLS...

The heat is doing *something* to him. *Holy shit.*

Will suddenly unleashes an ANGRY SCREAM -- DEEP and GUTTURAL.

Hopper edges his way toward the lab. He can't see anything in there... but he can hear those monsters. They're in there alright. He presses his back against the wall by the door.

Then, keeping quiet, he... removes the KNIFE from his belt... inches it out *SAVING PRIVATE RYAN*-style... and...

IN THE REFLECTION OF THE KNIFE BLADE, WE SEE DOZENS OF DEMO-DOGS IN THE RIFT LAB. IT'S *THE ARMY* -- GUARDING THE GATE.

Dustin checks himself out in the rearview mirror.

STEVE (CONT'D)

You look *great*, dude. Now get out there and slay 'em dead --

DUSTIN
Like a lion --

Dustin does his signature *purr*. Steve winces.

STEVE
But don't -- don't do that.

DUSTIN
Yeah -- right. Okay.

Dustin takes a deep breath. And...

114 **EXT. HAWKINS MIDDLE - GYM ENTRANCE - NIGHT**

114

Dustin exits the car. He struts up to the ticket booth, which is manned by Mr. Clarke. Dustin hands Mr. Clarke his ticket.

MR. CLARKE
Looking very snazzy tonight, sir.

DUSTIN
Thank you, my Lord.

115 **INT. STEVE'S BMW - HAWKINS MIDDLE - NIGHT**

115

Steve watches Dustin talking to Clarke. This is a new side of Steve: "proud dad" Steve! But then Steve's expression changes as, through the open gymnasium door, he sees --

*

Nancy. Smiling. Serving punch to kids from behind a table.

Steve pushes back his emotions, then *speeds away*.

116 **INT. HAWKINS MIDDLE - GYMNASIUM - NIGHT**

116

Dustin now heads through a BALLOON ARCHWAY and enters...

*

The Snowball! We CRANE UP to reveal the party. The dance floor is jam-packed with students, a disco ball glowing above, the whole gym smothered in decorations -- magical.

*

*

*

As Dustin heads into the dance, he waves hello to --

*

Nancy, who is serving punch to a line of MIDDLE SCHOOLERS. All of her "customers" are... boys. They ogle her like she's some kind of exotic species.

*

*

*

MIDDLE SCHOOL BOY #1
What's in this...?

NANCY
Pure fuel.

116 CONTINUED:

116

As Nancy scoops more punch, she glances over at --

Jonathan, who is taking pictures at a PHOTO STATION. He's the official Snowball photographer tonight!!! CHOOM! He snaps a kid's photo, then looks up and makes eyes with Nancy. He smiles. And just the way these two are looking at each other, we can tell they're still together -- and *in love*.

*

ON THE FAR SIDE OF THE GYM,

Dustin walks up to Mike, Lucas, Will, and Max.

They stand around a fold-out table in the (way) back.

All eyes go *straight* to his hair.

MIKE

Whoa -- what happened??

DUSTIN

What?

MIKE

"What?"

LUCAS

Dude -- !!!

MAX

Your hair!

*

*

Lucas reaches out to touch it.

LUCAS

Is a bird nesting in there???

Everyone laughs. That is, everyone except for Dustin, who is now suddenly self-conscious about his new look. But before he has a chance to say anything in his defense --

A ROMANTIC SLOW SONG BEGINS TO PLAY. Couples move onto the dance floor. Dustin, per Steve's advice, tries to act like he's not interested.

Lucas, meanwhile, turns to Max.

LUCAS (CONT'D)

Hey -- Max -- you uh -- you -- uh --

MAX

Are you trying to ask me to dance,
Stalker?

LUCAS

No. No... I mean -- unless -- do
you -- want to?

Max shakes her head.

MAX

So smooth. *Come on...*

Max takes his hand and drags him onto the dance floor.

Dustin watches them go, his heart-sinking, when...

VOICE (O.S.)

Hey, zombie boy.

Will turns to find a CUTE GIRL walking over to him.

CUTE GIRL

Wanna dance?

Will hesitates, uncertain --

WILL

I, I don't know, I --

Mike nudges him. Shoots him a look. *Dude.*

Will turns back to the girl. Awkward.

WILL (CONT'D)

I mean -- yeah -- *sure.*

Will follows her onto the dance floor, which leaves --

Mike and Dustin alone. Dustin watches the dance floor as...

Lucas wraps his arms around Max's waist. Dustin averts his
gaze. *Damn it hurts.* But he perks up a bit as his gaze
shifts to a GROUP OF CUTE GIRLS NEARBY. A new objective!

He takes a deep breath. Pats down his hair a bit. And...

DUSTIN

Wish me luck, Mike. *I'm going in.*

117 **MOMENTS LATER**

117

Dustin saunters up to the girls.

DUSTIN

Hey -- uh -- Stacey? Stacey?

The cutest girl -- STACEY -- stares at him like he's some alien.

STACEY

... Yeah?

Dustin extends his hand, staying confident.

DUSTIN

... Shall we?

Stacey looks at her friends. GIGGLES.

STACEY

Um, no thanks...

Stacey and friends hurry away, giggling. Dustin watches them go, clearly hurt by the rejection. He shifts his gaze to --

Another PAIR OF GIRLS. He starts to walk toward them --

But they walk away *as soon as they see him*. Giggling too.

Dustin is now alone. Abandoned. And *hurting*.

AT THE PUNCH STATION,

Nancy sees Dustin all alone. He keeps looking around. But everywhere he turns, girls laugh and walk away.

Off Nancy, her heart breaking a bit...

118 **OVER AT THE BLEACHERS,**

118

Dustin, defeated, sits down on the bleachers all by himself. *He's given up*. His eyes return to the dance floor, where he sees --

Max and Lucas. Max rests her head on Lucas's shoulder.

It's almost *too much* to bear. As tears fill his eyes...

NANCY (O.S.)

... Wanna dance?

Dustin looks up to find Nancy. She holds out a hand.

Dustin quickly wipes his tears away.

DUSTIN

Huh -- ?

NANCY
Come on. *Let's go.*

Nancy yanks Dustin to his feet and...

DANCE FLOOR - MOMENTS LATER

Nancy drags Dustin onto the dance floor! He doesn't even know what to do now that he's out here -- he just stands stiffly in place, a few feet from Nancy, rocking awkwardly.

NANCY (CONT'D)
... Like this... *here...*

She places his arms around her waist and --

NANCY (CONT'D)
... Closer...

She draws him closer to her. Dustin can hardly breathe.

NANCY (CONT'D)
Now. Feel the song... the rhythm... *move to it...*

Dustin begins to feel the rhythm.

NANCY (CONT'D)
There... yeah, that's good.

Stacey and her friends all watch in disbelief!

*

Nancy smiles at Dustin.

NANCY (CONT'D)
You know -- of all my brother's friends, you're my favorite. You've *always* been my favorite.

We can tell this means *the world* to Dustin.

DUSTIN
... *Really?*

NANCY
Girls this age are... dumb. But when they get a little older and wise up -- you're gonna drive 'em nuts.

DUSTIN
... You really think so?

NANCY

I know so.

Dustin beams. The glint of a tear in his eyes.

119 **EXT. HAWKINS MIDDLE - GYM - NIGHT**

119

The music grows faint as we DRIFT DOWN TO FIND...

Joyce, resting up against her car outside the gym.

She hears FOOTFALLS. Looks up to find Hopper.

HOPPER

... Thought I might find you here.

He smiles. Leans next to her. She smiles softly.

JOYCE

Will wanted space, so... I gave him
a few feet.

Hopper pulls a hand-rolled cigarette from his pocket.

HOPPER

... Whaddaya say? I'm pretty sure
Mister Cooper retired in the
seventies, so... I think we're
good.

Hopper lights the cigarette, takes a puff in silence, then
passes it to Joyce. As she takes a drag, Hopper eyes her.

There's a sadness in her eyes.

HOPPER (CONT'D)

... How you holding up?

JOYCE

Oh -- you know...

She takes another heavy drag. *Hopper knows alright.*

HOPPER

... That feeling -- it never goes
away. But it's true -- you know.
What they say. Every day, it gets
a little bit easier.

Joyce takes this in, passes the cigarette back to Hop. As he
smokes, she gently rests her head on Hopper's shoulder.

We SLOWLY PULL AWAY from these two old friends, sharing a
cigarette just like old times as...

120 INT. HAWKINS MIDDLE - GYMNASIUM - NIGHT

120

"IN THE AIR TONIGHT" begins to play now. Nearly all of the kids are out on the dance floor now. That is, everyone save for...

Mike. Sitting alone at the fold-out table. He taps his foot, desperate for this night to just be over already. But then, suddenly -- his breath catches, his heart skips, and...

He pushes to his feet. ACROSS THE GYM:

Eleven enters the Snow Ball! She wears a dress. Her hair is longer, done up. Her make-up inspired by her time with Kali.

She surveys the crowd, overwhelmed, until at last she sees --

Mike. Their eyes lock. Mike gathers his composure. Then...

He begins to walk toward her. She walks toward him.

They finally meet. Mike stares. Heart-in-throat.

MIKE

... You -- you look --
(beat)
Beautiful.

Eleven smiles, flustered. An awkward beat, then...

MIKE (CONT'D)

Do you want to... dance?

Eleven looks out at all those other kids. Nervous.

She's a little embarrassed by this, but --

ELEVEN

I... don't know... how.

MIKE

Neither do I.

A shared smile.

MIKE (CONT'D)

You want to... figure it out?

She smiles. And takes Mike's hand.

DANCE FLOOR - MOMENTS LATER

Mike leads Eleven onto the dance floor. He gently places his hands on her waist. As they sway to the song, eyes locked...
